Fort Frances Agency,

25 June 1906.

Ref: Your Letter 12 April 1906 No.21/26

Sir,

Referring to your letter above quoted, and previous correspondence on the subject of moving the Agency to the town of Fort Frances, I beg to state that the Duluth Rainy Lake and Winnipeg Railroad have run their line across the Rainy River at the head of the Rapids, and it cuts through the Agency house, in fact it strikes the front door, you will therefore see that the agency will have to be moved in a short time, and if we have to build it should be started at once, otherwise we will have to rent, which will cost about \$45.00 per month if not more.

I have the honor to be,

Sir,

Your obedient servant,

(sd.) Jno. P. Wright,

Indian Agent.

Hon. David Laird,

Indian Commissioner,

Winnipeg, Man.
