Ottawa, December 6, 1910.

Sir,

I have to acknowledge the receipt of your report on ~~the~~ the day schools on Walpole Island in which you state that physical culture is taken outside when the weather permits as at the present time the school-houses are too small.

In reply I would draw your attention to the fact that there are some of these exercises that can very well be taken in the ~~at~~isles of the school-room and the Department will expect the teachers to carry out its instructions.

Your obedient servant,

Asst. Deputy and Secretary.

J. B. McDougall, Esq.,
