Dear Major MacKay:-

I beg to acknowledge receipt of your letter of October 20th, with which you forwarded Voucher No. 3009 for \$111.40 received from the Kootenay Agency, in connection with the harvesting and hauling of wheat from the Lower Kootenay Indian Reserve Number Four, Bruner reclamation area.

Your statement that this amount is being tentatively charged to E.R. No. 121, seed grain, is acceptable to the Department, on the understanding however that this grain must be sold and a proper adjustment made before the end of the present fiscal year.

Yours very truly,

Director of Indian Affairs.
