

The World

THE PAPER THAT PRINTS THE FACTS

The Best Advertising Medium in Western Canada

It is the paper that reaches the masses—the Wage Earners, who are the Greatest Money Spenders—the “World” covers every industry.

The eyes of the whole manufacturing world are centred on Western Canada—its great resources are being developed—it needs the machinery and other accessories that are required for the up-building of a new and great country.

The “Vancouver World” reaches the great masses of the people who are buying your products—the people who are building the West.

Advertise in Western Canada's greatest newspaper and get your share of the great harvest that is being reaped by your competitors.
