 European Rust of *Ribes* and *Grossularia* spp. (*Cronartium ribicola*).

THE DESTRUCTIVE INSECT AND PEST ACT.

9-10 EDWARD VII.

CHAP. 31.

AN ACT TO PREVENT THE INTRODUCTION OR SPREADING OF INSECTS,
 PESTS AND DISEASES DESTRUCTIVE TO VEGETATION.

(Assented to May 4, 1910.)

His Majesty, by and with the advice and consent of the Senate
 and House of Commons of Canada, enacts as follows:—

Short title.

1. This Act may be cited as *The Destructive Insect and Pest Act*.

"Minister"
 defined.

2. In this Act, unless the context otherwise requires, "the Minister" means "the Minister of Agriculture."

Regulations.

3. The Governor in Council may make such regulations as are deemed expedient to prevent the introduction or admission into Canada, or the spreading therein, of any insect, pest or disease destructive to vegetation.

Scope of
 Regulations.

4. Such regulations may provide,—

(a) for the prohibition generally, or from any particular country or place, of the introduction or admission into Canada of any vegetable or other matter likely to introduce any such insect, pest or disease;

(b) the terms or conditions upon, and the places at which any such vegetable or other matter may be introduced or admitted into Canada;

(c) for the treatment and manner of treatment to be given to any vegetation, vegetable matter or premises in order to prevent the spreading of any such insect, pest or disease, and may prescribe whether such treatment shall be given by the owner or by a person appointed for such purpose;
