

The Late Dr. J. G. SHARP.

SHARP'S BALSAM

of Horehound and Anise Seed

gave relief to those suffering with colds, etc., seventy years ago—long before most of the "cold cures" now on the market were even thought of.

Sharp's Balsam was the old standby—the reliable family remedy—of our grandparents, and it is equally effective to-day.

MR. CAMPBELL'S EXPERIENCE

J. G. Campbell, a prominent barrister of St. John in 1852, writes:

"One of my children suffered for years with a severe cough. The usual remedies were applied without effect. I obtained some Sharp's Balsam and after the use of about eight ounces of this extraordinary medicine the cough stopped completely."
