DEGREES CONFERRRD.

Rev. Daniel Welton, A. B., of Windsor, and Mr. Alfred Chipman, A. B. of West Cornwallis, received in course, the degree of Master in Arts. Messrs Henry Vaughan, George W. Saunderson, Simon Vanghan, Charles H. Corey, Robert S. Weatherbee and Edward M. Saunders, having fulfilled the prescribed term of study, received the degree of Bachelor in Arts.

After the above, degrees were conferred and an address was delivered by the Hon. Provl. Secretary of Nova Scotia.

A Public Meeting was held in the Evening, Rev. W. Chipman in the Chair, when the following Resolutions were passed:—

Moved by Rev. C. Tupper, D. D., seconded by Rev. S. T.

and, and

Resolved, That the blessing and success already vouchsafed to

Acadia College call for abundant thanksgiving to Almighty God,

should stimulate its friends to renewed and persevering ex-

posed by Rev. D. Freeman, seconded by Rev. T. A. Higgins,

M., and

Resolved, That in the opinion of this meeting the efforts now

progress for the increase of the College Income should be cop-

ied, and extended to all the Churches of our Denomination

a view to realise a sum sufficient to sustain the increased

number of Instructors which has become necessary, and thus

render the Institution more efficient, and better adapted to the

needs of the age.

On after the meeting of the Convention in August last, and

in accordance with the expressed desires of many of the mem-

bers of this Convention, M. Gustave Peple, was appointed to

the chair of modern languages; such an arrangement having

been entered into with the N. S. Baptist Education Society, as

the increase of outlay to gain this object comparatively

small. Your Board would cheerfully bear testimony to the ef-

forts of Professor Peple, and regret that in consequence of the

depletion of the funds, and in accordance with his wish it was

found necessary to accept his resignation, which took effect at

the close of the last term.
