DR. McLAUGHLIN, Dear Sir—During the past seven years I have been a constant sufferer from rheumatism, and during that time I had spent five times the cost of the Belt trying to find relief in drugging my system until I nearly ruined my stomach. I was in the condition that life was not worth living, and I cannot thank you too much for what the Belt has done for me. It has completely cured me, so that to-day I feel like a new man and life is worth living. I cannot recommend your Belt too highly, and trust that you will continue to relieve suffering humanity, and thanking you very kindly, I am, yours very truly, WM. ALDONS, 214 Christie Street, Toronto, January 11, 1902.

DR. McLAUGHLIN, Dear Sir—I had been troubled with kidney trouble for eighteen years, and had tried all kinds of drugs and plasters without relief. When I placed myself under your care I was doubtful of being cured, but after wearing your Belt and following your directions and advice for two months, it gives me great pleasure to tell you that I am completely cured. I never felt so well as I do now. My neighbor, who has lately begun your treatment, is much pleased with the results. I will continue to say a good word for your Belt whenever I can, for I know that my friends and others will be grateful to you for curing them, and grateful to me for calling their attention to such a valuable remedy. Yours very truly, FRANK MAJOR, Monte Bello, Que., April 10, 1902.

I have sold electric belts for twenty years and keep pace with the times in making improvements. The Belt I offer you to-day is recently patented, and is a grand one. No burning, no blistering current, a fine regulator and cushion electrodes, a current that feels like glowing warmth all over your body. There is a free electric suspensory with each Belt. It is nice to wear and quick to cure. If you have another kind that does not satisfy I will take it in trade.

It is curing your neighbors. Don't you think you ought to give it a trial? Saves doctor bills.

FREE TEST—Any man who will call at my office may test my Belt free and satisfy himself of its great power to cure. I offer free consultation and advice and my book to every one. Call to-day. To-morrow you may not be well enough.
