

A LESSON

That should be taught to every man, woman and child, is how to guard themselves against contracting disease through inhaling germ-laden dust. The Doctors tell us that consumption and other similar diseases are more often traced to women inhaling dust stirred up by sweeping and dusting, than to any other cause.

THE CADILLAC

Vacuum Cleaner does away with this unsanitary method of cleaning, and our easy payment plan puts them within the reach of all.

They are made in Canada, and are fully guaranteed.

You could not select a more appropriate, serviceable, or necessary **XMAS GIFT**. We manufacture both Electric and Hand Power Cleaners.
