------MARKET REVIEW AND FORECAST THE HOLSTEIN BULL CALVES ANAKKET REVIEW AND FORECAST

Toronto. Monday, January 29th.-Whole-male dealers are showing extreme caution in the booking of orders from country firms. Orders have been coming to hand in good volume, but too much credit is being anded. It is not expected that being anded. It is not expected that being anded. It is not expected that what has been gotten out of the the wheat has been gotten out of the the the state and the the the wheat has been gotten out of the the the state and the the the wheat has been gotten out of the the the state and the the the wheat has been gotten out of the the the state and the the the state and the

a present intreased volume until more of country. The proposal of the United States Gov-ernment to take the dity off of potatose until the new crop is on the market is the most interesting news feature. Such a move it is anticipated would put the a move it is anticipated would put the a state of the state of the state of the most interesting news feature. Such a state of the state of the state advantage to the Canadian Jointo grower, who is a lready receiving coord prices. Trade on the produce market has been strong this past week. What has re-mained steady at a high level. Coarse mained steady at a high level. Coarse produce records another advand dity the, hogs and sheep are all down.

WHEAT

WHAT Prices have continued steady at last work's quotations. A weakness in the old county markets was the only fac-ture of the trade that checked a further tion is easily, owing to powision being made whereby Onnadian grain may be shipped out win United States routes. No. 1 00.12 Market of the states of the whether the states of the states of the theta, the states of the phenomenous states of the states of the phenomenous states of the Cryuesdale Horses and Holstein Cattle For sale—Four Bulk. 10 months old, got by Kordyke King Schlinker, who also and the State Schlarker, who Also. 20 frade Over, due to freshen in January 15 Grade Heiters, rising 2 years old, bret to freshen in March and April FIERHELLER BROS. MT. ELGIN. ONT. Heil Thoms.

COARSE GRAINS

COARSE GRAINS Western cash, barler, rev. corn, and peak all show advanced guotations this week. Trade has been fairly brick on a cash basks. All other grains are steady. Guo-ber to 26: feed. do to 70°, cast. O.V. No. 1, Sor: Ontaris No. 1, 43:20° outside: do to 26: feed. do to 70°, cast. O.V. No. 2, Sor: Ontaris No. 1, 43:20° to 26: feed. do to 10°, cast. O.V. A. good demand for oats is the feature of the Montreel market. All prices are advancing steadily. Guotations are as 2 Eastern. 47: No. 3, 46°; No. 4, 46°; corn, 733-40°, peak. 81.65 to 15.75; barley, mailing you to 81; feed. dos; buckwheat, 75. MLL STUPPS

MILL STUFFS

HAY AND STRAW

HAY AND STRAW The brick demand for hay and straw continues at the high prices ruling intely. Wholesalers are paying for No. 1, 85 to 65 on truck here. On the relation market No. 10, 2, 814 to 814 40; straw, 84 to 85 on truck here. On the relation market No. 10, 817, atraw, bundled, 816 to 83. Supplies at Montreal have been re-duced, but there is still sufficient to meet all demands. Export trade is quiet. Non-inal quotations are: No. 1, 815,86 to 816. No. 2, 813,06 to 835. No. 2, 810,50 to 815.

HIDES AND WOOL

HIDES AND WOOL The market for bides is steady at last week's decline. Prices paid by country merchants are: Hides, cured. Ito to 11-3c; green, 91-3c to 1914c; lambs and pelts. Sie to 81; horne hides. 83; sit horne hair, Sio to Me; realf skins, 13c to 14c. City quotations are: No. 1, 11-3c; No. 4; public; No. 3, 91-3c; calf skins, 14c to 15c.

BUTTER EGGS POULTRY Honey, Beans, Apples, Potates, Turnips, Carrots, etc. Our large and growing demand for all kinds of farm produce places us in a position to pay exceptionally big prices for your shipments. Write for weekly quotations.

POTATOES AND BRANS Produce dealers taik empt of the gro-posed free entry of postons into Tuited States, and prices have advanced strong-ly, partly on a speculative hesis. Deal-ers now quoie Ontario postores at 81.06 to 81.70 out of afore. Delawarce are at a 64.80 at the strong back of the strong for a strong the strong back of the strong back dealers now purchastore of 200 at back dealers now purchastore dealers now purchastore dealers now purchastore dealers now purcha HONEY

Wholesale quotations remain un-changed. Strained honey is 10e to 11e in 6-lb. time, 11e to 25e in 5 to 10-b. time; buckwheat hone., 6e to 7e in time, 63-4e in barrels. No. 1 comb honey is 82.56 to 82.00 a dos. Thurt AND VEGETABLES Wholesale

FRUIT AND VEGETABLES The local market for applies is steady. Quotations are: Greenings, No. 1, 83.55 a. barrel; No. 2, 83.75 hiddwins, No. 1, 83.65, No. 2, 83.75 hiddwins, No. 1, 83.65, No. 2, 83.75 hiddwins, No. 1, 83.65 hiddwins, No. 2, 83.05 hiddwin

EGGS AND POULTRY

EGGs AND POULTRY It would seen that see prices are now on the down that see prices are now prices are standy retail prices there ex-tined. Dealers are now paying 366 to for one will seen and the for fresh-tand the market is atronged. All Moni-real the market is atronged. All Moni-real the market is atronged.
