### 16 PIGS TO ONE SOW WONDERFUL RESULTS.

CATLIN, ILLINOIS.  
International Stock Food Co., Minneapolis, Minn.  
I had a sow five years old last fall that was very sick, would not eat and could not get up. She was reduced to skin and bones and was almost dead. A neighbor recommended "International Stock Food." I bought some and began to drench her with it. She began to get better the first day, soon had an appetite, and before I had given her the entire box she was well. On the 25th day of May she had sixteen pigs, but as she had but fourteen teats, she could only raise fourteen of the pigs. The sow and pigs are healthy today. I wish to recommend "International Stock Food" to all stockmen. THOMAS E. JONES.

"International Stock Food" is prepared from Herbs, Seeds, Roots and Barks.

### GOSSIP.

W. S. Carpenter, Simcoe, Ont., importer and breeder of Shropshire sheep, in ordering a change of advertisement, writes: "My Shropshires are in the pink of condition and produced an ex-

cellent return in lambs, giving 140 per cent. My stock ram, Ruddington Knight (imp.), has proved a grand sire, the lambs being low-down, blocky fellows and worked to perfection. The Mills and Mansell ewes imported last summer have proved excellent breeders,

and their lambs will make a grand acquisition to the flock, which now numbers 160 head. The shearing rams I am offering for the fall trade are a choice lot; plenty of wool and character and sired by imported ram, Chancellor, of Harding breeding."
