THE PEOPLE'S CHOICE

THE IMPROVED
U. S. CREAM SEPARATOR

There are many reasons for this, a few of which we give below:
First, last and always,
THE U. S. SEPARATOR SKIMS THE CLEANEST
It holds World's Record for clean skimming, having averaged for 30 consecutive runs a loss of only .0123 of 1 per cent. in the skim milk.
THE U. S. HAS A PRACTICAL LOW SUPPLY CAN into which it is very easy to pour milk.
THE U. S. WEARS THE LONGEST with the least expense, so its users say.
THE U. S. CAN PRODUCE THICK CREAM as well as thin cream without clogging, thus enabling the user to meet the requirements of the many creameries that demand thick cream and pay one cent more a pound for it.
THE U. S. IS THE SAFEST SEPARATOR, its gears being entirely enclosed, thus doing away with all danger of injury to them or those around it.
THE U. S. SAVES TIME, LABOR AND MONEY, as all who will buy one will soon find out.
From the above it is easy to understand why
THE U. S. SEPARATOR IS THE MOST PROFITABLE TO BUY
Write for handsome illustrated catalogue.
We have transfer houses at many different points, thus insuring prompt delivery to any section.
Vermont Farm Machine Co., Bellows Falls, Vt.

Hens Lay All Year Round

when you season the food with **Myers' Royal Poultry Spice**. Just think what it means to have the hens laying regularly all winter—when eggs bring their best prices. That's what **Myers' Royal Poultry Spice** does for the chickens. It's rich in nitrogenous matter—supplies all the constituents that compose the egg and gives more lasting internal heat. It makes hens lay—and insures fertile eggs for setting. It's wonderful for making young pullets early layers—for fattening chickens, ducks and turkeys—and for raising plump, strong, vigorous poultry.

If you want to make money out of your "chicken yard" feed **Myers' Royal Poultry Spice**. It's not a food—but a relish.

MYERS ROYAL SPICE CO.
