# Dr. Hamlin's

Hand Bag for Cholera. tonTAINING all the articles recommended by Dr. Hamlin, a well known Missionary, residing a Constantinople, and possessing large ex-perience in treatment of Cholora. In the Bag are full directions how to proceed in weating an attack. tance for as Dr. Hamlin remarks, on the approach of Cholera, every family should be prepared to treat it, without waiting for a Physician. It does its work so expeditionsly, that while you are waiting

for a Dector, it is done The Bag thus fitted up and locked, should be hung o in such a position, that on the slightest alarm it may be at hand. The public will see the immense advantage it will be to each family to possess in compact form and easy of access, the remedies which have been proved most efficacious with such direct tions as have in other lands saved thousands of lives. Sold by GEO. JOHNSON, Drugglat, p sp 25 118 Hollis Street.
