An Unrivalled List.

The Steinway Piano,
 The Chickering Piano,
 the Haines Piano.

It is quite unnecessary to say anything in
 praise of these instruments. The first two
 on the List are acknowledged by all to be
 the finest Pianos in the world. The most
 celebrated artists of the day have pro-
 nounced in favor of one or the other
 over all others.

THE HAINES, for a medium priced
 Piano, excels in finish and beauty as
 well as durability, any other instrument
 of its class. Its popularity is proved by
 the fact that the Haines' Factory has
 risen to be the Third Largest Factory
 in America.
