To Make  
Home  
Pretty and  
Attractive

Is the wish of every lady. Perhaps we  
can help you a little by improving some un-  
sightly arch, a nice piece over a bay window, a  
screen for a stairway, a cozy corner, a hand-  
some stationary or folding screen. The ex-  
pense will not be much and would add greatly to  
the appearance of the rooms. We make  
these in Moorish fret work, Japanese fret work,  
Seroll or Grille work, all combinations of the  
different styles and makes, finished in any  
kind of wood desired. For further particulars

**Labatt's India Pale Ale**

Is an excellent nutrient tonic. Physicians desiring to prescribe will  
hardly find anything superior to this.—Health Journal.

"We find that the Ale uniformly well agreed with the patients,  
that it stimulated the appetite, and thereby increased nutrition. The  
taste likewise was always highly spoken of. In nervous women, we  
found that a glass at bedtime acted as a very effective and harmless  
hypnotic."—Superintendent of large United States hospital.

**LISTEN TO OUR  
SONG**

It will be a musical song—because it's  
about music. Have you a piano in the  
house? Is its action easy—does it send  
forth a rich, mellow tone every time it is  
touched? Is each note clear, clean and  
distinct? If you have, you own a good  
piano, no matter what you paid for it. If  
you haven't, you ought to have, and the  
easiest, quickest and safest way to go  
about it is to come here.

We will give you honest value—we  
will tell you all the good points, and  
where the bad ones might be. For a little  
money we will give you a musical, dur-  
able, pretty Karn piano.

Karn pianos and organs are warrant-  
ed for seven years.
