WAR SCARE

about bigger and bigger ships, he may know nothing about var; just as he would smell ng wrong if people went on bout longer and longer lances, he might know nothing about nique of tilting. Commonlls a man that indefinite devolin one direction must in pracer-reach itself: that wearing overcoats cannot be the way to cold, that drinking ninety pots is by no means a protection thirst. If you perceive your plunging on blindly in a partia irection, the real thing to do, if ive any spirit and invention, is nlate the weakness in his course vance yourself in some other on. You ought to take advantage infatuation, not to imitate it ight to surprise his plan of camnot copy it laboriously. If he is ould do would probably be to small ones; ships lighter, quickmore capable of navigating If he has gone quite dotty on nces, the chances are that you in the battle with daggers.

there is another reason besides ore flexible experimentalism in ich would, I think, have prethe fine old English gentleman oing in for a mere blind race i igth of spear-shafts. He would nown that if lances really grew and longer past all reason, there ertainly come a point when Euould step in and stop it. Euas a great deal too keen on the sport of chivalry to let it he by cut-throat competition ould have had sumptuary laws short a gentleman's lance, as ad them to cut short his plumes expenditure. But these could e been enforced by a general nt of Christendom. And in barbarie, superstitious, dim, damned ages, there would en a general agreement of ndom. It might have been an ent full of artificial feudalism, have been ratified by eccles mysteries, but it could have tained. It is all nonsense to at we Europeans could not have ement about disarmament. We ave it well enough if we loved ilization as much as we hate ther People cannot love Europe Europe is either a map or else nical lady who was carried off by But men could love Christenecause it was an idea.

efore with all the heartiness one who is wholly ignorant subject, I throw down my two doubts, which are almost strong to be called suggestions. First, ely doubt whether our hurried on in arms is not a great deal ch a mere breathless and crazy If the other schoolboy throws wballs, it is the mere instinct y to throw bigger ones: but it much better strategy to keep ead, to throw a smaller snow. d to throw it straight. In short. eve in this modern war exactise it is always talked of as a guns and ships, and never as a men. And secondly, I doubt this competition of longer larger ships need go on at nce the nations could find somesitive upon which to combine. se they cannot combine on mere eace is a negation, like dark-

ere any affection or institution on which we can combine?increasingly the question. It is adful condition that we agree on all the things in which we agree-motives, reasons, and In the things of life and love separated; in the things of nd blood we imitate each other. althy existence the inmost thing secure, but the outer ges nergetic and varied. But with Europe it is the limbs that are G. K. CHESTERTON.

FREDERICTON, N. B., April 27 .he public accounts committee occupied the entire morning with examining bills in connection with the pubworks department, under the head of bridges. Chief Commissioner Morrisey was present at most of the sittings. The bills showed that it had always been the custom to charge under repairs such articles as axes, shovels peevies, tools and many other things The commissioner said that he had no bad accident happened near the round idea what had become of what was house in the yard late this morning, supplied, and he was strong in his language in condemnation of such a sys-

The chief also critisized the high price paid for lumber and regarded certain when the rod was struck by the hamwork done, said it was over 100 per more than it was worth. Mr. Haine's (the bridge contractor's) bills were criticized at length. In the case of the Shearden bridge, Kent county, a statement showed that Haines had received \$200 in advance to procure articles. His bill showed but one expenditure of \$157. The commissioner said Mr. Haines' attention had been called to the matter and that this morning he had returned the balance. The chief said that he did not think that the articles that came to his notice amounted to the sum charged.

NDICTMENT S

Sultan's Act Contrary to Sacred Law

POPULACE REJOICES

lol Guns Amnorace That New Sultan is Pro-

claimed

CONSTANTINOPLE, April 27 .- The eign of Abdul Hamid II. ended today with his deposition and the accession f his brother. Mehemmed-Reschad Effendi, as Mehemmed V., a variation of "Mahomet," it being considered inappropriate to assume the precise name of the prophet. Mehemmed V. is the 35th sovereign of Turkey in male descent of the house of Osman, the founder of the empire, and the 29th sultan since the conquest of Constan

The two houses of parliament, meeting as a national assembly in the foreioon, approved the decree of deposition which was read by the Sheik-ul-Islam, chief of the Ulemas and supreme judge on ecclesiastical ques-The document recited that Abdul Hamid's acts were contrary to the sacred law and set forth a long list of rimes, the whole making a terrible indictment. The assembly chose Mehemmed-Raschad as sultan and appointed committees to notify the dehroned sovereign and his successor of ts action. The firing of 101 guns announced to the waiting people that a new sultan had been proclaimed.

The ceremonies connected with the transfer of the power were simple. The newly-chosen ruler came from his palace in Galata through the streets lined with troops and cheering thou the late Francis Ferguson, Esq., of this sands and took the cath at the war office. He then proceeded to the parliament and later went to the Top-Kapou palace to kiss the prophet's robe, returning to the Dolmabatsche palace, where for so many years he had practically been a prisoner, as the head

Martial law was relaxed tonight and the reople gave themselves over to celebrating the victory of the young Turks party and the end of Abdul Hamid's reign. Many buildings were lluminated, and thousands of rounds ammunition were fired by the solafers for joy. General good humor prevailed everywhere.

The question of the new cabinet has ot been settled, but it is thought that Ahmed Riza will be grand vizier while some of his associates will probably be Hilma Pasha, the former premier, as minister of the interior, Djavid Bey as minister of finance and Rifaat There passed away at his home, 27 Pasha, minister of foreign affairs.
