

THE PRICE OF FREEDOM

"If we sacrifice all we own and like for our native land, if our preparations are marked by a grim resolution and prompt readiness in every sphere, then victory is assured. Upon our answer rests the liberties of Europe for many generations."-- LLOYD GEORGE, MINISTER OF MUNITIONS

LLOYD GEORGE SPEAKS WITH GRIM EMPHASIS ON GREAT STRUGGLE

On Britain Rests the Burden Now; Only an Urgent Loyal, United Response Needed.

London, Sept. 13.—That the central powers still have an overwhelming superiority in all the material and equipment of war and that the allies to win must put forth all their strength is the statement made by Lloyd George, Minister of Munitions, in the preface of a book containing his speeches since the outbreak of the war entitled "Through Terror to Triumph."

GERMAN MILITARY ATTACHE MUST LEAVE AT ONCE

Guilty of Impropriety in Attempting to Transport Official Reports.

Washington, Sept. 13.—The departure from the United States of Capt. Franz von Papen, military attache of the German Embassy, will probably be arranged here in a few days. This was indicated yesterday.

GROWING CONCERN FELT AT WASHINGTON OVER THE CENTRAL POWER'S REPLY

Washington, Sept. 13.—Count von Bernstorff, optimistic despite growing concern here over relations between the United States and the central powers, was back in Washington today for a conference with Secretary of State Lansing on the situation developed by the sinking of the Arabic. The ambassador, it was understood, would begin an informal discussion with Mr. Lansing which would be supplementary to the German note on the Arabic, with the hope of opening the way to negotiations for an amicable settlement.

Petrograd Will Not Fall This Year; Ruszky

London, Sept. 13.—The Austro-German armies on the eastern front, still striving for definite results, are making progress everywhere except along the Galician frontier, where the Russians report a further success.

HOSTILITY GROWS TOWARDS GERMAN-TURKO ALLIANCE

Djemal Pasha, Former Minister of Marine, is Suspected Leader.

Rome, via Paris, Sept. 13.—The attitude of Djemal Pasha, former minister of Marine, is giving the Turkish committee of Union and Progress, much anxiety. The Tribune says it has learned from sources of information in the Balkans. He is reported to be in Arabia in constant contact with Shieks and Emirs hostile to the committee while Arab preachers are trying to foment rebellion among the inhabitants.

A complete disagreement between Djemal Pasha and Enver Pasha, minister of war, as well as Taat Bey, was reported early this month. It was intimated that the former minister of marine was suspected of preparing a "coup d'etat" against the committee of Union and Progress.

SIR JOHN FRENCH STUDIES SOLDIERS ON BATTLEFIELD

Austria Will Recall Dumba From States

No Successor to be Appointed in the Meantime, It Is Felt.

Rome, Sept. 13.—Your correspondent learns from a source that Austria has decided to acquiesce in the American demand for Dr. Dumba's recall. It is believed that no successor will be appointed for some time, but that the change definitely will be effected with the Austrian Embassy in Washington.

Men are Eager For Battle; Makes Motor Dash From Headquarters to Inspect Troops.

British Headquarters, Aug 27.—The only man of the hundreds of thousands at the British front who wears the crossed batons of a field marshal on his shoulders appeared in the opening in the shrubbery which bordered the field where a machine gun battery of the new army was waiting for orders to move.

TURKS BADLY DECIMATED THROUGH FIGHTING; ARMENIAN PEOPLE SUFFERING MARTYDOM

American Ambassador Nearly Powerless to Prevent Any Massacring of Christians—Armenian Girl Students Fall Into Turkish Hands.

Athens, Sunday, Sept. 12.—Via Paris, Sept. 13.—An American citizen of standing in Athens, has received advice from Constantinople, which he says are trustworthy, to the effect that the situation of the Turkish army and government is unfavorable. According to this information the position of the Turkish forces defending the Dardanelles is precarious. It is said the Turkish front, thinned by the heavy losses which the fighting has entailed on both sides, is finding it increasingly difficult to hold the lines against the French and British.

According to this information Turkish affairs are under the control of a triumvirate with autocratic powers, consisting of Enver Pasha, minister of war; Taalat Bey, minister of the interior; and Bedri Bey, chief of police of Constantinople.

ARMENIANS MARTYRED The American informant states the Armenians are being shipped to concentration camps at various points being driven afoot or forwarded in box cars. He adds that the earlier massacres of Christians in Asia Minor are being duplicated in the present instance, and that in some cases only a comparatively small part of the expelled Armenians reach the concentration camps alive. Henry Morgenthau, United States ambassador at Constantinople has exerted every effort to protect the Armenians, but apparently his endeavors have been unavailing. It is stated that American women who attempted to go with the refugees to look out for Armenian children were turned back and that a number of young Armenian girls who were students at the American college at Constantinople fell into the hands of the Turks.

No Decision Reached. Washington, Sept. 13.—Secretary of State Lansing announced today, after a conference with President Wilson, that no decision had yet been reached by the United States on Germany's proposal to arbitrate the Arabic case.

BERLIN PRESS STIFFENS OVER YANKEE NOTE

Berlin, via London, Sept. 13.—The tone of the German note on the Arabic case and the attitude in Government circles, regarding the destruction of the Hesperian, point to a determination to make no further concessions to the United States, if not to an actual stiffening of policy on the submarine question. Publication of the Arabic note, although evoking virtually no comment in the German press, indubitably has caused a feeling of uneasiness here over the probable attitude of the United States. The note in itself appears to be highly satisfactory to the public generally, but the constant inquiries received at the office of the Associated Press for news or predictions upon the American attitude, is only one indication of apprehension that the Arabic note and the Hesperian case may result in a renewal of the tension, which was believed to have relaxed with Ambassador von Bernstorff's communication to Washington of the instructions given submarine commanders.

SEVERE REPRISALS URGED AGAINST GERMANY BY PRESS

LONDON, Sept. 13.—A demand is made by the Globe for effective measures of reprisal for the Zeppelin raids. "It is useless to disguise the fact that nothing big or strong will be done unless the Government is aroused to action by public opinion," the Globe says. It urges that a public meeting be held to force the Government's hand, and calls attention to the fact that property valued at millions of pounds, owned by Germans, is now in the hands of a public trustee.

ANOTHER AERIAL RAID MADE

London, Sept. 13.—Another Zeppelin raid was made over the east coast of England last night. There were no casualties. The attack is described in the following official statement: "The east coast was again visited by hostile air craft last night (the 12th-13th). Bombs were dropped but there was no casualties, the only damage reported is that some telegraph wires are down and some glass is broken."

ANOTHER ONE HUNDRED AND THIRTY MEN TO-DAY FOR THE NIAGARA TRAINING CAMP

"Cheerful Smilers", Who Looked Fit; Speeches Made by W. F. Cockshutt, M. P., Mayor Spence, W. G. Raymond, and J. H. Fisher.

"This company will be known as the Cheerful Company—the company with the bright and happy faces," said Mr. W. G. Raymond this morning in bidding farewell at the armories to the Dufferin Rifles setting out for Niagara. In spite of the threatening weather, which later turned bright and very warm, crowds of people were on hand early at the armories eager to make the most of the last opportunity of saying good-bye.

Under command of Lt. Kenneth V. Bunnell, the detachment, led by the band, marched to the station. The route was via Brant Avenue to Colborne street to Market Street. All the other overseas forces were present in full strength to honor the one going away, and upwards of 400 active service men took part in the parade.
