MILITARY FUNERAL

(Amherst News-Sentinel, June 8th)
There passed away at Highland View Hospital yesterday, Pte. Cecil Cogswell of Kentville, a very popular and highly esteemed Guard at the Detention Camp. Pte. Cogswell was taken to the Hospital suffering from a severe attack of appendicitis where he was operated on but failed to recover from the effects of the operation and passed away at that institution yesterday. Last evening at 7 o'clock the Guards turned out in full forces with Band and muffled drums in attendance at the Military Funeral which was very sad and impressive. This young soldier had proved himself worthy of the great confidence placed in him and was always found faithfully at his post; his death has cast a deep gloom over the Camp and everyone who knew him. Several floral tributes were in evidence among which was a wreath from the Guards, and a wreath from the members of LaPlanche Lodge of which the deceased was a valued member. The remains were conveyed to the depot where they were entrained at an early hour this morning and taken to his home Kentville. Much sympathy is extended to the family in this hour of deep affection.

The above item is late in reaching us. Private Cogswell was a son of Mr. and Mrs. John N. Cogswell of Baxters Harbor and leaves 5 brothers and 4 sisters. He was 20 years of age and a noble type of a young man. He enlisted for guard work last September his brother Roy was then doing guard duty now in France, Cecil was a member of the Canning Lodge of I.O.F. His death took place on June 4th burial at Billtown, June 6th.—Ed.

BACK TO THE FOLD

Nearly all of the Nationalists who boasted of having beaten Laurier at his own game in 1911 have now joined him. It is well. Their hearts were with him anyway. They opposed the Government on the Naval Bill, the Manitoba boundaries question and every other subject of concern to the Nationalist school of thought.

The Camera The Film

Our Cameras and Films make it possible for all amateurs to make "professional" pictures, and make it possible for every woman man and child to make pictures that tell the story better than words, and enable them to record in black & white the beauties of nature in both town and country.

Geo. C. McDougall

"The Rexall Druggist"

WOLFVILLE

EXCURSION TO KINGSFORT

The members of the Kentville Baptist Church and Sabbath School will hold their annual picnic to Kingsport on Wednesday next, July 25th. A special train will leave Kentville at 9.30 a.m., calling at Aldershot. Return on regular train leaving Kingsport at 6.10. Fare 55 cts. Return Adults; and 30c for children. Persons may travel on regular train leaving Kentville at 11 a.m. The Band of the 246th Battalion, Aldershot will accompany excursion from Kentville and furnish music. Excursion open to anyone desiring to go.

PICNICKED AT EXPERIMENTAL FARM

The Women's Institute of Berwick held their picnic at the Experimental Farm, Kentville last Friday, July 13th. They were joined here by members and friends from Lakeville, Grand Pre, etc. The day was a fine one after the early morning and everyone enjoyed to the full the full days pleasure. The shaded picnic grounds at the farm were used for luncheon and afterwards all parts of the farm was visited. Manager Blair supplied the party with dishes, tea and an abundance of fresh strawberries and cream from the farm.

After luncheon, a short address was given by Miss Fraser, provincial secretary of the institute. Miss Fraser spoke of the work done by the institute and gave practically advice on timely subjects. She urged the members to can as much as possible of their small fruit and vegetables this year. And particularly urged that each member put up at least a few jars to be sent to our soldiers. For the purpose, Miss Fraser said, the government recommended quart jars with screw caps be used.

A. E. McMahon, manager of The United Fruit Companies, next gave a very appropriate address. Mr. McMahon advocated the taking up of woman's suffrage in the institute and the forming of a platform, expressing the opinion that women would have an uplifting and purifying effect on politics. He also gave it as his opinion that the legislature to its next session would pass a bill giving the women of Nova Scotia the franchise. Professor Blair, W. H. Woodworth and T. H. Morse were also to give addresses, but were unavoidably absent. Short addresses were given by Mrs. Woodworth, J. R. Frizzle and others. After an hour spent in social intercourse the party was driven around the grounds in autos. The men were particularly interested in the plots of hemp, flax and tobacco; many expressing surprise that such things could be so successfully grown here. The ladies were much taken with the beautiful lawns and flowers which are certainly worth going a distance to see. All present very much appreciated the kindness of Professor Blair and his associates in showing the party around, answering a multitude of questions and explaining the different methods used. On leaving, Professor Blair, presented each lady with a souvenir of a lovely rose bud grown on the farm.

NOW THE FATTED CALF

Two Nationalists, Mr. H. Achim, of Labelle, and A. A. Mondon, of Yarmaska, not only voted with Sir Wilfrid Laurier in favor of the referendum and against conscription, but they announced that in future they would support the Liberal party, and amid the cheers of the Liberals, took their seats alongside Sir Wilfrid Laurier. The Nationalists have at last returned to the fold. The fatted calf will now be killed.
