JUST A LITTLE BIT OFF THE TOP

Archie and the Banner having nothing worth while to grow over, thought it wise to make a little nose anyway.

The Grand Trunk are apparently just trying to devise a way of getting out of granting the C. W. & L. E. a right of way.

It's a wonder that the Grand Trunk and the Railway Commission don't also ask the C. W. & L. E. to construct a ferris wheel and an observation tower at the William street crossing as a side issue to that proposed subway.

SOME SARCASTIC.

A subscriber in Arizona asks us why the Lord's Day Alliance does not make an effort to stop the rates of interest and rents, which never keep Sunday or pay tithe. We suppose in the rush the Alliance people have overlooked the ceaseless work of rents and interest. We respectfully draw their attention to the oversight and suggest to them the same time and watches stopped on Sunday, and if possible have the sun hide its face—Lowery's Claim.

SUMMER FOG

DR. WILLIAMS' PINK PILLS THE BEST TONIC FOR SUMMER.

The long hot summer thins the blood, and leaves you weary, worn, and wretched. Nothing can cure that summer fog except Dr. Williams' Pink Pills—because they actually make new blood and thus strengthen every organ and every tissue in the body.

Every dose fills you with new strength, new energy, new life. Purgative pills only weaken you more. Common tonics only stimulate for the moment. But Dr. Williams' Pink Pills actually make new blood, and nothing but good, pure rich new blood can brace you to stand the summer. That is why you should take Dr. Williams' Pink Pills now. Mr. J. J. Norfolk, White Horse, Yukon Territory, says: "I am fifty-nine years of age and have been an athlete who scarcely knew the meaning of illness. Last year, however, my health gave way. I became nervous, did not sleep well, and grew as weak as a kitten. It seemed as though I was completely worn out. I tried several so-called tonics, but it was only a waste of money, for they did me no good. Finally I began using Dr. Williams' Pink Pills, and they put me on my feet again, and gave me new health and strength."

Every weak and easily tired man and woman will find new health, new strength and new energy through a fair use of Dr. Williams' Pink Pills. They cure all blood and nerve diseases like anaemia, nervous exhaustion, headaches and backaches, indigestion, neuralgia, rheumatism and the special ailments that afflict most growing girls and women of mature years. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

WILL TAKE ACTION

Toronto, June 18.—The license department has authorized Inspector Thos. Boon, of East Kent, to return the license money paid by Mr. Forbes of Cedar Springs. The license commissioners favored his application for a license, and he commenced a sell before the beginning of the license year. The clerk of the township, however, decided that Mr. Forbes' petition to receive a license did not have the required majority of names of qualified ratepayers and so informed the department, which thereupon declined to issue the license. It is said that court proceedings may be taken in order that the whole question as to the Clerk's decision may be tested.

Strawberries

Are at their best, and are very plentiful right now. The berries from the lake are beginning to come in very freely.

For Canning

The last of this week we believe would be a good time for doing up your strawberries.

We don't believe they will be any cheaper, and we know they won't be any better than they are right now.

A DIRTY STREET

A rat-payer, speaking to The Planet this morning, complained of the accumulation of branches, twigs and rubbish, which has remained on the pavement and roadway of Park St., opposite the Methodist church, for over a week.

This gentleman stated that the sweeping of that part of the street had been neglected for some time, nothing had been cleaned up since the storm of the week before last.
