WILLIAM GORDON

WORLD OF SPORT

LAUROUSSE

An order has been issued by President Allen of the C. L. A. to the effect that the deciding game between Chatham and St. Thomas shall be played in London a week from to-day, Aug. 11.
Each team has won three games and lost one.
John McCoig was in London yesterday and, accompanied by a representative from St. Thomas, made all arrangements for the use of Teomseh Park. An excursion will be run from each place and crowds will be present from London, where very little good lacrosse is seen.
A special train will be run on the G. T. R. leaving here at one p. m. The game will start at 3.30 and will be refereed by either Waghorne or Gillespie. In the event of a tie at full time, the game is to be continued until a goal is scored.
The London Old Boys are in session the day of the game, which has been set aside as Chatham-St. Thomas day.

BASEBALL

Leamington took the Chatham team into camp by the score of 13-4 at Leamington yesterday. With the exception of the sixth inning the locals played a good game, but in that inning they were wild. Hicks and depew did the slab work and Barrett was at the receiving end.
It is expected that there will be a game here Monday with Ridgeway.
The Tammy Healers, of this city, defeated Tilbury on the latter's dirt ground to the tune of 11-7. Brady, Dennis and Taylor constituted the battery for the locals.

CRICKET

The Chatham team lost a very close game to Detroit yesterday, the score being 97-87. The locals went to bat first on a good wicket, Sullivan with 22 to his credit, and Brundage making the first stand. After the fall of these two wickets the others fell rapidly and only 39 runs had been registered for the first six wickets, of which number Harry Northwood put on 10. The tail end, in this case the last four wickets, saved the defeat from being a rout by putting on 47 runs—Taylor and Pritchard making a stand which added over 30 runs.
For Detroit the score was made by Bredin, who had 33 to his credit, Davis following with 22.
The features of the local's game were the batting of Taylor and Sullivan with 23 and 22 respectively, and the bowling of Harry Northwood, who had three wickets for 12 runs.

STALWART GENERALS

War is on in Chatham between the City Council and an electric railway company. The bridges over the Thames are guarded and there is no telling at what hour the railway company's Italian regiment will commence a turning movement against Harrison Hall and the Court House. Generals Bellayna and Gaudiski are in command of the rival forces.—Ridgetown Dominion.

BOOKBINDING.

Orders for bookbinding should be left at this office. It is surprising how nice a volume can be made of these magazines, even though they are somewhat soiled from much handling. Books, magazines or periodicals bound or rebound in any style at very reasonable prices. Blank books, such as journals, ledgers, day books with any kind of ruling, made to order. All work warranted first class.

THE FAST TRAINS.

To California are run over the Union Pacific, via Omaha, 16 hours quicker to San Francisco than any other line. No change of roads, no detours, "The Overland Route" all the way. Be sure your ticket reads over the Union Pacific. Inquire of H. F. Carter, T. P. A., 14 James Building, Toronto, Canada, or F. B. Choate, G. A., 126 Woodward avenue, Detroit.

Most men argue from their personal view rather than from actual conditions.
