Windsor, Aug. 16.—All attendance records for Windsor were surpassed on Saturday and a splendid afternoon's aport was enjoyed with much profit to the visitors. The first five recs were won by well supported favorites, the sixth by a horse backed from 10 down to 4 to 5, with the favorite just nosed out, and the seventh saw the split favorites fighting it out at the finish. The weather was threatening, and the track

orites fighting it out at the finish. The weather was threatening, and the track in good order, but not fast.

After Vox Populi had shown the way for three-quarters of a mile in the third race, the three year-olds Woolwinder and All Red went by him, and the former won. The Minks is now owned by R. L. Thomas and ran in his colors. Grania would not leave the post.

John Dyment's Star Wave demonstrated the he is the master of Penn, the colt that won a fluky race from him a few days ago. Penn and Bedminster ran the first quarter with Star Wave in less than twenty-three seconds. That settled Penn, but the Toronto colt still had something left, and going around

The report that William Walker, from whom her present owner took Centre Shot in a selling race, had a representative ready to bid the mare up above her entered price of \$2,000, caused her to be withdrawn from the Pontchartrain selling stake of \$1,200, which was one of the day's features. In a slashing race J. C. Milam's Merrick beat Ida D. and Al, Muller. The last named lost second place by going wide in the stretch. J. R. Wainwright has bought Tremargo for \$1,000 from A. H. Brener, of London. Summary: Summary

WINNERS AT SARATOGA.

Saratoga, N. Y., Aug. 16.—Before a crowd of 15,000 persons James McManus' Rocky O'Brien, at 40 to 1 in the betting, won the \$17,000 Hopeful Stakes, six furlougs, here on Saturday, and incidentally showed startling improvement over his previous races. He was admirably handled by Vincent Powers. J. R. Keene's sweep, carrying top weight of 130 pounds, and the favorite, was second, with Barley thorpe third. The surprise of the race was the poor performance of W. Clay's filly Oceanbound.

The start was good. Barleythorpe broke in front, followed by Grassmere, and Oceanbound. Barleythorpe took a lead of one and a half lengths in the run to the far turn, with Rocky O'Brien, Grassmere and Oceanbound next, heads apart, and Sweep two lengths back. Barleythorpe still held his advantage of one and a half lengths in the run around the upper turn, and at the head of the stretch he still led, but here Oceanbound run out and Rocky O'Brien moved up to the leader, while Butwell on Sweep also arretch he still led, but here Oceanbound ran out and Rocky O'Brien moved up to the leader, while Butwell on Sweep also began to send him along. When straightened out in the stretch Rocky O'Brien took the lead, and Powers began to ride hard as Sweep was coming very fast at the sixteenth pole, and it looked as if Sweep would get up, but Rocky O'Brien, running gam'ely, held him safe and won by one and a half lengths. Sweep beat Barleythorpe a half a length for the place.

Saturday's three N. L. U. games resulted as expected. Shamrocks and Montreal both winning after a hard struggle, while the Toronto victory over Ottawa was compara5vely easy. Next Saturday's games should have a considerable bearing on the championship race: Shamrocks should defeat Capitals, who visit them at Mile End, though it must not be forgotten that Ottawa played their best game this season against the Irishmen in Ottawa. Montreal will be up against a pretty tough proposition in Cornwall, but their speedy home should just about pull them out a victory, despite the fact that the factory town boys are improving every game. Tecumseh and Toronto should furnish one of the best games of the season. The Torontos have two decided victories over the Indians already this season,

of every lover of things aquatic. Every kind and description of water vehicle was represented there in fleets. Great yachts with their graceful lines and straining stretch of white canvas; motor boats, new and old, fast and slow; skiffs, dingeys, rowboats and an infinite number of canoes. All with their cargo of merry maids and attentive young men, sailing, paddling and chug-chugging lazily around, while here and there a racer threaded her way hurriedly through the maze of craft.

On account of the difference in the speed of the competing boats it was absolutely necessary to place large handicaps on the faster ones to make the race interesting. Undoubtedly the Arab III., of Buffalo, was the fastest boat of all. With the throttle open it ploughed through the water at a rate of about 33 miles an hour.

players showed little disposition to mix it up. In fact, several of the Caps showed a marked reluctance to even check their opponents.

It would be a shame to give President St. Pere a game to referee where the players were after each others' heads, for he would be hopelessly lost. Because he has refered two of the cleanest games in the history of the N. L. U., namely, the Montreal-Cornwall game and the Toronto-Capital game, it is no recommendation that he is a good refeere. The players themselves can make a game clean or otherwise, as they desire. A referee can only hand out punishment. President St. Pere does not see the fouls that generally forerun the more glaring attempts of the players. Tripping and cross-checking are out of Mr. St. Pere's category altogether. But in spite of all the little trips and fouls, the game was of the first order of cleanliness. The line-up:

YACHTING

Rochester, Aug. 14.—Virginia, owned by W. J. Graham, of Rochester, is the winner of the Rudder Cup Rochester, Aug. 14.—Virginia, owned by W. J. Graham, of Rochester, is the winner of the Rudder Cup in the 290-mile race on Lake Ontarlo, which started Thursday night off the Rochester Yacht Club anchorage at Charlotte. Graham's boat was the smallest in the race, and her time allowance was more than ten hours. Klatawa, of Toronto, and Helen, of New York, may protest the race on the grounds of error in the official measurer's calculations and ratings. Satanila, owned by T. B. Pritchard, of Rochester, finished first at 11 o'clock last night. Virginia crossed the line 48.23 o'clock this morning.

KETCHEL SAYS HE IS IN TRIM

San Francisco, Aug. 16.—Stanley Ketchel will start east to-day on a hurried trip to prepare for his bout with Sam Langford, but messages received here by friends say that he will spring a big surprise in the boxing line on the easterners. Instead of taking a vacation in the wilds, Ketchel writes that he has put himself in first-class shape, and that if Langford thinks he is going to find an easy mark he is badly mistaken.

Ketchel followed the training methods pursued by Jeffries when the latter used to train in the mountains. He has been hunting and fishing, and, in addition, has followed his old calling of wood cutting. He was originally a lumberman, and it is to his constant use of the axe that he attributes the powerful muscles of his arms.

arms.
Ketchel says he will make the middle-weight limit in the match with Langford, but that he does not intend to reduce so much hereafter.
