Lou Marsh, assistant sporting editor of the Toronto Star, saw the Tiger Montreal game on the holiday and went back to his native town imbued with the idea that the Hamilton football fans were disappointed by the showing made by the Tigers. It looks like a case where the wish was father to the thought. Lou never was very sweet on the yellow and black.

Coach Holloran, of De Paul college, is a resourceful person. In a game with the idea that the Hamilton football Barnes university on Saturday Holloran deguised himself in a uniform and get into the game in the second half, contributing greatly to the success of his outfit. The start-ling part of it was that his presence was not discovered by the St. Louisans until after fifteen minutes of play.

the game in Montreal next Saturday.

The Tiger players will leave on the G. T. R. on Friday morning for Montreal, and the officers and supporters of the club will leave on the 9 o'clock train in the evening. An excursion train will be run down if a large enough number of fans signify their intention of accom-panying the team.

A good game is promised at the Crick-et Grounds on Saturday afternoon, when the Tiger Intermediates and Dundas clash. The rivalry between these teams makes them play their hardest when they come together.

As the Montreal Star expert saw the game: Hamilton Tigers have a wonder-ful team, but with care Montreal might beat them on the M. A. A. grounds on

When he did kick on Monday it was always to Montreal's advantage.
All the backs were infected a little with the same trouble.
If they were able like Wigle, to run around the ends and if their wings were able to give them sufficient protection, it would not be so bad, but for the present outside of practice, more kicking seems as if it would be more profitable than the undeniably more spectacular, but less effect runs.

"NIGHT RIDERS" FOUND GUILTY.

Windsor, Oct. 27.—Clem Cullshan, aged 21, of Chicago, and Herbert Davis were convicted in the Police Court yesterday morning of taking the horse Caper Sauce from its stable at the Windsor race track early last Saturday morning and giving it a fast eighth mile run over the country roads to make it unfit to run in the first race at the track on Saturday afternoon, as scheduled. Although admitting taking the horse from the stable, the defendants refused to plead guilty to a charge of theft, and as a result a trial was made necessary. Callahan, the principal defendant, confessed he planned all the crooked work in the affair. Magistrate Legatt found both Davis and Callahan guilty of theft, as charged in the warrants, and remanded them for sentence until Wednesday.

In England a dog used to guide sustained heavy losses this season. The fall meetings, beginning with Montreal, were especially costly to the books. There were probably 200 layers in line at various times, but of this number not more than a dozen can be classed as winners. Frank Bain, who was one of the big winners in California last winter, left about \$20,000 with the Canadians before departing for his California home a couple of weeks ago. Jake Saunders was another one to suffer severely, as was Charley Bowman.
