MONTREAL, FRIDAY, FEB. 5, 1857.

We have been waiting with some impatience to learn from Upper Canada what progress has been made in the construction of the Board of Works; this we have been told by Mr. McAV, has not been made. We have been told by Mr. McAV, has not been made. We have been told by Mr. McAV, has not been made.

The only objection we have to the proposed Bill is that it does not provide for the necessary funds. We have been told by Mr. McAV, has not been made.

The inhabitants of St. John's, (N. B.) suffering from the destructive influenza there, propose petitioning the Legislature to enact a law for regulating the importation of goods from that city.

Robert Amour, Esq. has been appointed Deputy Sheriff of the District.

A Bill to repeal in part the Restraining Act, which prohibited private individuals from incorporating associations from keeping banks of discount and deposit, has passed the Senate of the State of New York.

The anniversary of the birth-day of Brant was celebrated on the 23rd ult., and of Byron on the 24th.

It is not illegitimate applied, I do not see how it can be, but it can be so applied by the Legislature that there is no objection to its being so applied by any good Government.

The Bill is a very good one, and it is to be hoped that it will be passed by the Legislature. It is a very good one, and it is to be hoped that it will be passed by the Legislature.
