PROCLAMATION

TO THE

Good People of P. E I.

PROBABLY there is not a family in your Province but what some members of it are more or less afflicted by Humours or Chronic Affections. As a remedy for these various complaints, there are numerous preparations brought into the market, but all of them of little or no good. But there is a discovery which has recently been made in chemical analysis that is wonderful in its operation. It has been long enough tried and we have proof sufficient to satisfy all from men holding the highest offices the people of the United States can give—that the medicine will do just what it is recommended. It is DOCTOR HAMPTON'S VEGETABLE TINCTURE. The medicine is compounded from the Vegetable Kingdom and may be used by any person without injurious consequences. By a wise choice and combination of some of the best of each class of co-operative, simple remedies, it fully reaches all the essential organs of the human system and there it has proved itself so effectually curative of the WHOLE ROUND of chronic affections.

Over two million bottles have been sold in the north and west during the last five years.

Three to five bottles is warranted to cure the worst case of *Rheumatism.*

Two bottles will check the worst case of *Dyspepsia.*

Three bottles are warranted to cure the severest case of *Erysipilas.*

Five to eight bottles will cure the worst case of *Scrofula.*

One to two bottles is guaranteed to cure the worst kind of *Pimples on the Face.*

Two to three bottles is warranted to cure the worst case of *Ring Worm.*

Three bottles are a certain remedy for the *Piles.*

Five bottles will cure the worst case of *Gout.*

Three to five bottles has never failed to cure the worst case of *Liver Complaint.*

Five bottles will cure the worst cases of Cough, Consumption, General Debility, Asthma, &c.,

As a FEMALE MEDICINE it has no superior.

We could give hundreds of cases where the cures were truly wonderful, but we request all to get a pamphlet and read the hundreds of certificates of its cures. *Price $1,00 per bottle.*

Notice to Travellers.

IT has become an established fact that accidents will happen notwithstanding the care and attention which may be paid to the safety and convenience of travellers. Explosions will take place, bridges will be left open, and cars run off the track as usual It is well enough for the public and legislators to caution companies to "beware," and "take heed," yet these casualties will occur, which result in severe contusions, broken limbs, burns, bruises, &c.

The Mexican Mustang Liniment.

Upon such occasions, is invaluable! The wonderful effects of its soothing and healing properties have induced many, who have tried it, to always carry a bottle of it with them when they are travelling.

Frequent tests have proven it to be efficacious in curing Rheumatism, Piles, Scrofulous diseases, Cancers, Ulcers, Old Sores, Neuralgia, Toothache, Earache, &c. Also Spavin, Ring-bone, Scratches, Cracked Heels, Chafes, Galls, &c., on *Horses and other animals.* It is external in its application, and we GUARANTEE it to cure PERMANENTLY in every case for which we recommend it.

Many Physicians use it because they can depend upon it—so can their patients.

Farmers and Livery-stable Keepers.

say they WILL have it, and will not be satisfied without it, after giving it a fair trial. Therefore we say to travellers upon highways and by-ways use the *Mustang Liniment!* It has become so thoroughly introduced throughout the United States, British Possessions, and West Indies, that it is almost impossible to step off the cars at any Station without beholding the gay banner of the "Mustangs."

The prices are as follows:—25 cents, 50 cents, and $1 per bottle; the 50 cent being three times as large as the 25 cent size, and the $1 size nearly three times as large as the 50 cent size, so that the large bottles are cheapest.

Elkington & Co's, Patent Electroplate.

HAS now been before the public since 1841, and after the most severe test of wear, in the vessels of the Royal Mail Steam Packet Company, the Peninsular and Oriental Company, the General Screw Steam Ship Company, the Pacific Steam Navigation Company, and numerous Club Houses, Hotels, and Private Houses, in every part of the world, continues to give the most unqualified satisfaction, supplying as it does all the advantages of silver in utility and beauty of effect; and it will be found that the interest of money upon the cost of silver Goods for a period of seven years, is alone sufficient to purchase Electro Plate, and this, with the now established fact of its extreme durability, makes it a matter of great importance to all purchasers of such articles. It must be evident that the wear of all articles depends on the thickness of the deposit, and the Patentees refer with great satisfaction to the award made by the Royal Commission of the Great Exhibition, 1851, of THE FIRST CLASS OR COUNCIL MEDAL for these productions.

A large assortment of the above Goods has just arrived per Clyde, Direct from the manufacturers, and is now ready for sale.
