would inflict on the very people they profess to love so well. We have not injured the Fenians: why then should the Fenians injure as? We have here what we consider one of the best forms of government in the world. Why should our happiness be disturbed, our social relations destroyed and our commercial hopes ruined by an assault upon the institution we are bound to protect?

We have called attention before to this matter. We presume the grants of timber berths have been made on the upper waters of Saskatchewan, where there is a region of excellent pine. The Government ought to make known the extent of the forests there; evidently certain speculators have possessed them. tain speculators have possessed them-On Thursday last a team of horses belonging to Mr D. McLanghlan, and worksing the Renows, were coming down a steely hill with a load of logs; the chains gave way, and the logs were impelled forward with great violence, killing both horses.

—Two Italians have arrived in town. They will open a toy shop opposite Temperance Hall. We hope the business will not prove a dulce far mient.

The Hon. Chief Commissioner, Landry, accompanied by MrBuck, Government dry, accompanied by MrBuck, Government Tabusintac, was hashing a load of logs to the yards last week, when his horse accidentally fell. Mr Grattan took an accidentally fell. Mr Grattan selves of the knowledge, applied for katchewau, ascertaining the extent etc.

The report of Professor Macoun is Freezers will fish mackerel, cod, salmon sto., all on an extensive scale; and will employ a large number of men. A quantity of fresh fish will be sent into town every day.

Lumber Briefs.

Mr. D. McLaughlan has commenced driving on some of the brooks running into the Renous.

Mr. Jas. Pond has come eut. He tumbered on the Renous.

Mr. Jas. Pond has come eut. He tumbered on the Renous, and had in thirteen teams and 70 men. He got out something over 3,000,000.

The Weather.

The wather.
