Methodist District Meeting

Membership in North Shore Counties is 1297. On Sunday School Roll 1348

The annual meeting of the Chatham Methodist District was held at Bathurst the 5th, 6th and 7th instants. Rev. F. A. Wightman presiding. Others present were Revs. J. J. Pinkerton, Chatham; Dr. Chas. W. Squires, Newcastle; Ernest Rowlands, Millerton; Wm. Lawson, Buctouche, Chas. F. Stebbings, Harcourt; Geo. M. Young, Campbellton; B. O. Hartman and Thomas Pierce, Richibucto, Willis B. Leard, Cape Ozo; A. Clair Motyer, Gaspe; and Laymen John H. Ashford, Newcastle; and Amos B. Eddy, Geo. Sutherland, and W. J. Kent, Bathurst.

Tuesday afternoon, the Ministerial Session was busied with the usual disciplinary questions concerning character. Mr. A. Clair Motyer having travelled for two years and having passed a satisfactory oral examination before the District and having brought up his studies attaining a high standard was recommended to Conference to be continued on probation as having travelled two years.

At 8 p. m. G. M. Young gave a lecture on The Minister and his Predicaments. The great opportunities of the minister were referred to. Especially ought the preacher to be true and faithful, because of the power he wields over the people. His position calls for his interest in all phases of public and civic life. If he lives only in the past and deals only with generalities, he is out of place in the pulpit. These points of the lecture were illustrated by many amusing stories designed to show what people think of the preacher's work. When the church people need a new minister they request a man who can speak as an orator, reason as a lawyer, walk as an athlete, and handle finances as a business man, etc.

It was recommended that Buctouche be added to the Sackville District and Boiestown be taken from Fredericton and added to Chatham District.

The Sunday School report was submitted by Rev. Dr. Squires. It showed 1248 S. S. scholars in the District, a decrease of 40. But the total membership including Home Department and Cradle Roll was the same as last year 1348. Total receipts \$1203.53, an increase of \$56.53.

Rev. E. Rowlands reported that the sum of \$1400 was on hand to build a new church at English Settlement, on the Derby circuit.

It was recommended that the duplex envelope system prevail throughout the District.

The following were elected to the various committees of the Conference which meets in Moncton, beginning on Wednesday next:

Stationing—Rev. Wm. Lawson, Rev. B. O. Hartman, alternate
Class Leaders—Rev. Wm. Lawson, Mr. R. W. Beers, Richibucto

A resolution was adopted regretting the removal of the chairman, Rev. F. A. Wightman, who having been in Bathurst four years goes to Florenceville in July.

Letters from the Front

Harry McKinley

Following is a letter received by Abram McKinley, of Chelmsford, from his son, Pte. Harry E. McKinley in France, dated May 13, 1917: No. 625097.

Dear Father,—I received your letter and was glad to hear from you and to hear you were all well which I am at present. Well, we are getting on pretty good so far, and it is a pretty nice country. We are having the best of weather now and I hope it will keep you a while longer in August now. It is pretty good, I have no kick at all. I had a letter from Alex. Storey last night. He told me all the news.

There must be pretty good times there now if they are having that wages. I hope we will be home at Christmas. I am now with the Forty-Ninth Corps in France. Give my best respects to Jim and his wife and Gordon and Mabel and the rest of the family. I got that letter from Halifax alright. Howard Bryenton is here somewhere, but I didn't see him yet. I met some fellows from the Northwest last week. Erny Treadwell is here but I did not see him yet. We can't write much, you know, that is anything interesting. I sent you a White-bang last week. I will write often now. Well, I think this is all for this time. If you could send me a couple of pairs of socks they would be a handy thing by times.

Good luck to all. Write soon,
HARRY.

Alban F. Doucet

The following letter was received last week by Mr. and Mrs. David Doucet from their son, Alban J., of the 25th:

Dear Mother:—Just a few lines to let you know that I am well and in good health. I received your letter and was glad to hear from you. I would like to have some more chewing tobacco, any time you want to send it, for it comes in good when we are in a place that we can't smoke and when a fellow is under a hard bit of work he chews a lot, so if you would be kind enough to send me some I wish you would do it as quick as you get this letter. I have heard from Pat, he is still in the hospital in England, but he is getting along fine but I don't think that he will be able to go to the front again. They say that his leg is just a little shorter than the other, so I think he will get a good job in England and stay there.

I think I will bring my short letter to a close by saying good bye and give my love to all and tell Aunt Mary to pray for me that I may return home again well. I think that is all for this time so I will bring it to a close. I remain your true son

Lingering Weakness Following Disease

Banished by the Wonderful Tonic Powers of Dr. Williams' Pink Pills.

How often victims of disease such as influenza, fevers, or contagious troubles are left weak, ailing and despondent after the disease itself has disappeared. They do not pick up strength as they ought, remain listless, tired and discouraged. The reason for this is that the blood has been impoverished by the ravage of the disease through which the victim has passed. Strength will not return until the blood has been enriched. The blood can be purified and enriched by no other medicine as quickly and as surely as by Dr. Williams' Pink Pills—to enrich the blood and strengthen the nerves is the whole mission of these pills. Thousands have found them beneficial in bringing strength and energy after disease had left them weak and run down. Miss Hannah Hamilton, Everett, Ont., says:—"After an attack of influenza I was so run down and anemic that I could scarcely walk. I had no color, no appetite, and constant headaches. The medicine I was taking was doing me no good and I had almost lost hope of getting better. I was asked to try Dr. Williams' Pink Pills, and it was not long until I could feel that they were helping me, and after taking them for a couple of months I was completely cured. I now never fail to recommend these pills to anyone needing a blood builder."

You can get these pills through any dealer in medicine or by mail post-paid at 50 cents a box, or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont. (adv.)

James Chishers, M. P. for Belfast South, who recently was appointed solicitor general for Ireland, died in Belfast Monday.

Death of Councillor Hugh. H. Lamont

The Aged Public Servant and well Known Business Man Passed Away on the 6th Instant

County Councillor Hugh Hunter Lamont of Douglastown, one of the best and most widely known residents of Miramichi, died on Friday morning, aged seventy-four. He had been ailing for some time, and two weeks ago caught cold and rapidly declined. He was able to be around, however, till only two days before his death, which came very peacefully.

Deceased was the son of the late Mr. and Mrs. Alexander Lamont, and was born in Douglastown. He learned the shipbuilding trade, and for many years ran the Woodworking establishment in Newcastle recently bought out by the Canadian Gear Works, Ltd. For part of that time he also conducted a store here, in connection with his factory.

Mr. Lamont was in the retirement of Lieut.-Col. R. L. Maltby, elected County Councillor for the Parish of Newcastle, which position he held continuously until his death, being returned every time but once without opposition. In politics he was a staunch Conservative. He became an Oddfellow many years ago and at his death was Past Noble Grand of Newcastle Lodge, No. 92. In religion the deceased was a faithful Presbyterian, and had been for many years previous to his death an Elder of St. Mark's church, Douglastown.

Deceased's wife, formerly Miss Mary Isabella Henderson, of Douglastown, died 30 years ago. He leaves three sons:—James at home, Earl of Boston, and George of Passadena, California; also the following: brothers and sisters: Matthew of Tucson, Arizona; Thomas of Lake Charles, Louisiana; Andrew of Silverton, Colorado; Isabel, (Mrs. William Carter), Boston; Margaree (Mrs. Abram Scott) of Douglastown; Euphemia (Mrs. George Hederson) of Douglastown, and Miss Christina, who made her home with him and his son James. Mr. Lamont will be much missed and regretted by a very large circle of friends.

Childhood Constipation

Constipation in children can be promptly cured by Baby's Own Tablets. They are a gentle but effective laxative which thoroughly regulate the bowels and sweeten the stomach and thus drive out all childhood ailments. Concerning them Mrs. J. B. Taufenbach, Richer, Man., writes: "I have used Baby's Own Tablets and have found them an excellent medicine for constipation." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont. (adv.)

Try **BEAVER FLOUR** Both Ways

Make up a batch of Bread and Rolls with it. Then bake a Pie and Cake.

Notice the fine, even texture—the absence of holes—the delicate, nutlike flavor, of the Bread. Then consider the lightness and flakiness of the Pastry. You'll never go back to the coarse, almost tasteless western wheat flours, after once enjoying the flavor of the good things made with Beaver Flour.

RUSSELL & MORRISON
MEN'S OUTFITTERS

The Crisis!

Untold sacrifices are being made in defence of the world's liberty, assailed by the Hun, who declares he fights for "existence." Let us not forget that other crisis in which the fate of the dread Liquor Traffic, subdued just now by the necessities of war, is also fighting for existence.

Prohibition must be impregnable fortified now by means of proper enforcement in readiness for the struggle to come when Prohibition must be finally ratified or lost by the votes of the people in many provinces, including New Brunswick.

Alberta, Saskatchewan, Manitoba, Ontario, Nova Scotia and New Brunswick have adopted Prohibition during the war. Prince Edward Island has enjoyed its benefits since 1901. The great majority of districts in Quebec are "dry." That is the situation to-day, but remember, the crisis comes after the war.

The total value of foodstuffs destroyed by the liquor traffic in 1916 was approximately \$4,244,000.22. Add to this the immense waste of transportation facilities, clogged and hindered by carrying the grain to destruction, and again conveying the product of the breweries and distilleries to make precious men less efficient in this solemn hour!

Ontario's Splendid Record

Since September 16, 1916, Ontario has enjoyed good enforcement of Prohibition in all but a few districts. Not the most daring anti-prohibitionist hopes for a return of the curse of the traffic in Ontario. Here are some figures showing results in Ontario's largest cities for the last three months of 1915 and 1916:

	ARRESTS FOR DRUNKENNESS	
	Under License 1915	Under Prohibition 1916
Toronto	2,908	953
Ottawa	286	234
Hamilton	498	61
London	367	144
Brantford	152	16

Note.—"It will be noted that Ottawa has not much reduction in arrests for drunkenness. It is perhaps strange that it should show any reduction in the drunkenness record, inasmuch as it is separated only by the river from the license city of Hull."—PIONEER, Toronto.

Whether your district be under the new Provincial Prohibition Law, or under the Canada Temperance Act, help us to secure the full force of public opinion for vigilant enforcement of province-wide Prohibition.
