# Don't Blame

the Motor for your own mistakes.

#### The Cause

of quite a lot of motor trouble is, you have been feeding your motor with unsuitable oil.

#### The Remedy

is to use Oil that is recommended by a reliable and experienced manufacturer.

# **POLARINE OIL**

is the result of fifty years' experience in furnishing lubricating service to the leading engineering works of the World.

POLARINE represents the modern process of making one grade of motor oil which will lubricate all types Motor Cars, Trucks and Motor Boats.

POLARINE is not susceptible to changing temperature.

POLARINE retains the correct lubricating body at any motor speed or heat. POLARINE remains liquid to Zero F.

POLARINE will keep your plugs, valves and cylinder clean and free of carbon; therefore

POLARINE is the best oil on the market to-day. Ask your merchant for POLARINE.
