MAINTENANCE OF EQUITY!

While it is customary and in the interest of safety and con-
servatism to at all times maintain a fixed ratio of margin, still
we do not call for margin unless the market value of stocks held
declines to a point where it is unsafe to carry the account.

However all funds sent us, whether over the necessary
amount or otherwise, are placed to your credit, and clients may,
if they desire, increase their payments unasked, until the full
account is liquidated, and fully-paid certificates will then be ob-
tained for you.

All dividends paid on stocks you hold are credited to your
account or forwarded to you, as desired.

We respectfully solicit a portion of your stock exchange
trading.
