Why Do We Snore?

Because the relaxation of the soft palate permits the soft palate to fall and partly close the air passage. Then, as we breathe, this palate vibrates with a hoarse rattle. When Wampoles Aspirin Tablets banish the pain of headache, or upset nerves, restful sleep comes easy.

Absolutely true aspirin tablets so skillfully made that their beneficial action begins in 15 seconds.

Price 20c. Box.

A WARNING.

The uninsured lose everything in case of fire. The insured are reimbursed to the extent of their loss. The cost of the policy making the difference, is a few paltry dollars. But in the one case, protection in the other. Which course will the wise man take?

Do as the best cooks do!

To thicken soups and sauces use a little corn flour instead of ordinary flour and the best results will surely follow.

Brown & Polson's Corn Flour

adds body, whitens, softens, thickens, delicate smoothness and a most agreeable nutty flavour.

The Police of Canada have established 37 feet as the distance in which a motor car should stop when travelling twenty miles an hour.

In recent official Canadian tests, before seven hundred spectators, a 1924 Buick, going twenty m.p.h., stopped in the record distance of—

15 FEET 8 1/2 INCHES.

The reason? FOUR-WHEEL BRAKES.

Healthfulness

Crisco is strictly vegetable. It is made clean, pure and in a modern sanitary plant. Crisco's melting point is below body heat making it a fat which is easily digested. Because of its healthfulness, many hospitals, colleges and schools have adopted the use of Crisco. Women who use Crisco are delighted with its results always. Now at most grocery stores.
