Glorious Hair-

In 90 Days or Money Back

Women who wish to stimulate the growth of their hair should use Van Eas Liquid Scalp Massage. A glorious head of strong vigorous hair surely follows its consistent use, and consistent use is easy because Van Eas comes fitted with a patent rubber applicator that feeds the medication directly to the roots of the hair, eliminating messy massaging with the fingers. And the flexible nipler of the applicator brings a healthy circulation of blood to feed the hair roots. Try your Van Eas on 30-day treatment. (Write: Manning Lane, U.S.A.)
