TO YOUNG MEN!

This is specially addressed to the young men
who are following the trend of style especially
as regards trousers. If you want the bell bot-
tom trousers, with or without cuff, here is the
place to get them; we are making and have
made recently some splendid examples of this
style. This also applies to the straight hanging
English trousers hanging free from the hips to
the cuff; with plenty of room at knees and
bottom

Making Friends and Keeping Them.

There's little satisfaction in coaxing custom-
ers in one day with the bait of some "scheme"
or deal, only to lose them to-morrow, when some-
one else does the same thing. That's not the
kind of customers that make for permanent
success of the grocer.

If we have Babbitt's Borax right one day
and "almost as good" the next—sold it on a
"drive" one day and at the "regular price" the
next—there wouldn't be any "regular price"—
or quality either.
