# DAVIDSON & CHADWICK, A CARD to THE PUBLIC

IT IS certainly marvellous that any community should be so excited over the great success that has attended the efforts of M.B. HOGG to obtain in the first Manufacturing Districts of the World the very excellent, novel and substantial fabrics in all of the verying classes of

Indeed everything in the Mercantile line usually kept in a first-class establishment. That MR. HOGG'S efforts have been crowned with unprecedented success is beyond a doubt. The great Bargains that he is daily giving causes his immense establishment to be crowded from early morning until night. His stock to select frem is so large and varied that parties get suited without loss of time, let their taste be ever so difficult; and in addition, by being able to import all of his goods direction the Manufacturers, to offer a saving of 12½ per cent (12½ cents on every dollars) over any establishment in Town.

All classes and descriptions of Clothing made to order by a first-class cutter, and sent free of charge on any part of Canada.
