The Bowmanville Statesman says:—It is expected that the champion nine of the Maple Leaf Base Ball Club, of Guelph, will play a match in this town, with the Royal Oaks, sometime during the second week of July.

Hamilton is to have another new club. The Bostonians beat the White Stockings on Wednesday by 11 to 10.

Another match has been arranged between the above two clubs for this afternoon in Chicago.

afternoon in Chicago.

The finest game of base ball ever seen in Philadelphia was that of Thursday between the Mutuals of New York, and the Philadelphia club, resulting in favor of the latter by a score of 2 to 0. A misjudged catch by Carey, and two base hits by Holdsworth and York, gave the Philadelphias two runs in the first inning. Fulmer made a fine double play in the seventh inning, and put the Mutual side out in grand style, which saved the game for the Philadelphia club. The fielding of both clubs was magnificent but the Philadelphias outbatted their opponents. Following is the score of innings:—.

The model of a brake for railway trains, the invention of Mr. Scott, of St. Thomas, Quebec, was exhibited at the Merchants' Exchange, Quebec, yesterday. It seems to be a great improvement on the ordinary brake, and will, it is claimed, stop a train very quickly.
