## **BIGGEST FLOWER** SHOP OPENS HERE

Gammage Store Brings Congratulations From All Over Canada and U.S.A.

What is without doubt the finest and largest florist shop in the dominion was opened this morning in the new Dundas building. While the shop itself is new, the firm is not. J. Gammage & Sons have long been knowr as florists in their old stand, a few doors east

Hundreds of telegrams of congratulation from every province and state were received this morning, florist associations and from individuals. One from the governor of Pennsylvania, who is himself a florist, follows:

many friends throughout the entire profession. It is such firms as yours which have placed the florist business in the enviable position it now stands. Therefore again I say, here's wishing you the success you so

Artistry in decoration and an bundance of room are the chief detail of furnishing and decorating goes to make one harmonious whole, and the result is even better than and the result is even better than expected. The foor is tile and the walls of the show are finished in a beautiful cream. The floor space is 3,300 square feet, being the largest florist shop in Canada.

A complete line of plants and flowers is carried. Everything sold in the Gammage shops is grown in

in the Gammage shops is grown in their own greenhouses, twenty-seven people being employed in London for this purpose. In addition, sixteen are on the store staff, making fortytwo people employed in London

In addition to plants and flowers, an exclusive selection of vases, pottery and baskets is carried. baskets with a dainty selection of cut flowers are a specialty of the

Gammage shop.

The display windows are finished in blue Italian tile, with mirrors for

### ROMANCE OF FILING

Mr. John Hunter, of Hay's Stationery Company, London, gave the stu-dents of Wells' Academy a talk on dents of Wells' Academy a take of the "Romance of Filing" today. Mr. Hunter spoke of the war-time experiences, when any slip-up in the records would have meant that the various companies would have of the business transactions are in ly smaller than last year and about some way connected with business the same as the attendance two years records was pointed out.

It was pointed out that during the t was pointed out that during the carliest ages there was no systematic filing, and what records were kept filing, and what records were kept on clay tablets, which were sun-baked and stacked in piles. Later on during the stone age records on during the stone age records were made in hieroglyphics on tables of stone and still later Papyrus.

Had Associate.

## LONDON FAIRLY FREE OF DOWN-AND-OUT MEN

Few Hobos Visit S. A. Hostel

Lieut. Hunt says that in the last two weeks few men called for free meals and free beds.

All the beds at the hostel are filled

by men who are doing a little work and are cutting expenses to tide them over dull times next winter. Some are working part-time jobs and others are working with the understanding that they are to go as don as the winter winds blow. Such men, says the officer, cannot afford to go to rooming houses but must harde their meagre savings for the

necessities of life during the winter. FIRST FALL MEETING. The first fall meeting of the Y's Men's club of the Y. M. C. A. takes place in the association building this afternoon at 5:45. Indications that a rally of the members who belonged last year will take place at the opening meeting, according to W.

dents of the University of Western
ontario is scouring the city in small detachments. They are seeking rooms, and rooms with board, and bed-sitting rooms for the winter.

Now that the rush of registration is over and classes have started the students are going over the lists of vacant rooms and boarding-houses in the newspapers and the lists provided at the university.

TORONTO SPEAKKER COMING.

Harry Ballantyne, general secretary is the only candidate in the field. The Liberals have not yet nominated in East Lambton where there are already two candidate in North Wellington, but would support J. Pritch-lington, but would support J. F. Sherwin, men's secretary.

# NOT SEE ACCLAMATION

Continued From Page One. tariff supporters agreed on George Sewell, at present a member of the Ontario legislature. Mr. Sewell was formerly a farmer and a strawberry grower in Norfolk county. Recently he retired to Simcoe. He was one

of the few U. F. O. members of the

of the lew characteristics of the storn legislature who weathered the storn

of the last provincial election. Mr. Sewell has always held the respect and many of the votes of the Liberals of his district. In South Waterloo the Liberals Progressives and Labor have agreed to support Wm. Elliott, who sat in the last parliament as a Progressive. but gave consistent support to the King government. A similar state of affairs exists in North Huron where at Present, Says
Officer.

London is fairly free of down-andout men at present, according to Lieut. Hunt, head of the Salvation Army hostel on Horton street.

Usually the first place the hobovisits in London is the Army shelter.

Lieut. Hunt says that in the last two laft in North Huron where the Liberals have decided to support twilliam King, the member in the last house who, although he sat with the Progressives, also found that he could support the Liberal administration. The Progressives of North Perth have also decided to have no candidate and Tom Brown, the Liberal, will get most of their support. In South Oxford the Progressives will not have a man, but will give their support to James Innes, the Liberal.

give their support the Liberal. Although no definite decision: Although made it is felt that the have yet been made it is felt that the have yet been made it is felt that the Progressives will not put up candidates of their own in North Bruce, West Elgin, South Perth, South Wellington nor West Lambton. In the latter riding the Progressives had already asked the Liberal, W. T. Goodison, to be their man, but Mr. Goddison is an Independent Liberal candidate. It is felt that after his Goddison is an Independent Liberal candidate. It is felt that after his declarations of his support of the farmer policies that they will refrain from putting a man in the field. The same might be said in the other ridings mentioned above as the Liberal capdidates have always supported

candidates have always supported most of the Progressive policies. All Parties Are Active. The following ridings have already south Bruce. South Huron and East Middlesex. Neither of the Grey ridings have yet nominated a Liberal. In the south Agnes McPhail, the only member of the last parliament, is being opposed by a Conservative, while in the north Matthew Duncan.

### "OLD JOE" KILLED BY HEAVY TRUCK Squirrel Pet of Victoria Park Has Life Crushed
