Richards' farm, next to McLeod's Mill. The "Upham and Hammond" Ag- ricultural Society will hold its An- nual Show and Fair at Hardingville, King's Co., on Thursday, Oct. 20th. The "Kingsclear" Agricultural Society's Show and Fair will be held on Thursday, the 20th October. "Emigrant" Agricultural Society will hold its Annual Show at Port Elgin, Albert Co., on Thursday, 20th October. "Harvey" Agricultural Society will hold its Annual Exhibition at Harvey Corner, Albert Co., on	If the display of grain was, especially in wheat, not great. The Sun says, that the first prize wheat only weighed 56 pounds to the bushel, and the other samples were, of course, lighter than even that—light weight. The samples of oats and barley were better. The roots, of course the pick of the fields, were, it is remarked, "as good as there is any need for." Only a few agricultural imple- ments were shown, comprising "Casey's improved air pipe rotary churn," and "Burbank & Atkins' butter worker," the "Osborne sulky plaw," and the "Acme pulverizing harrow," and several iron harrows, and iron and steel Scotch ploughs. The chief county, if not altogether the chief agriculturel county, ought to have made a better show. It is not well, when it can be said that there was a falling off this year compared with the show held two years ago. The exhibition should have given evidence of the improve- ment and advance in agriculture, that, we presume, has taken place in the county in that time.	which the grounds were laid out. The judges and members of the Society sat down to a sumptuous dinner prepared by Mrs Pickett. Sussex and Studholm Society's Show. The Annual Fair held by the Sussex and Studholm Society, came off on Wednesday, 5th inst., in the Rink. There was a large show of horses, cattle, sheep and swine, and the agri- cultural produce was of excellent quality. The cattle chiefly Ayrshires Jerseys, and grades were not so good as those shown last year, but the horses and sheep were fally so. The show of fruit, apples, crab-apples and grapes attracted much attention. On the manufacturing side, the display of the Sussex Boot and Shoe Company, was a great improvement over that of last year, and the articles were much admired for their style of workman- ship. White, Upham, & White's show of leathers was very good. Alto- gether, the show was an improvement	Stallion, three years old and up- wards-W. H. White, 1st.
