Why Salves Can't Cure Eczema

Since the old-fashioned theory of curing eczema through the blood has been given up by scientists, many different salves have been tried for skin diseases. But it has been found that these salves only clog the pores and cannot penetrate to the inner skin below the epidermis where the eczema germs are lodged.

This—the quality of penetrating—probably explains the tremendous success of the well known skin remedy of Dr. D. D. Laboratories, Thymol, glycerine, etc., as compounded by Dr. D. D. Laboratories.

skin troubles but, none that we can recommend as highly as this for we know that Dr. D. D. stops the itch at once.

Of course other druggists have Dr. D. D. Prescription—go to them if you can't come to us—but don't accept some big profit substitute.

Here if you come to our store, we can tell you all about Dr. D. D. Prescription and how it cures eczema, because we have had this experience for long.

Or you can get a free trial bottle by writing the Dr. D. D. Laboratories, 49 Delbore St. Toronto. A. McDonald, Druggist.

A NATIONAL TRAGEDY

Here is a tragic situation. To China, through drought and flood 3,750,000 human beings are starving and will perish this spring and summer if relief does not come. In Canada foodstuffs worth millions of dollars are spoiling because the crops were too heavy for the railways to ship to the east. And this is happening while the Chinese nation is in the agonies of a new political birth. Has the world ever beheld such an appealing need as in China, or so urgent a call for "first aid" to the suffering so that which comes to Canada? The facilities for shipping grain westward to the Pacific and on to China are better than for sending it east to the Atlantic. To save this unvaluable surplus from wanton waste and to send it to where it is so sorely wanted in our first and most compelling national duty. In how many ways will it come back to us as individuals and as a nation? The United States, alone among the nations, refunded a large part of the Boxer Rebellion indemnity on condition that the money was spent on the education of Chinese students in United States colleges and universities, and already the American nation is reaping a reward in the confidence and good will of the people of China, who now have a thousand students in the United States who will return as missionaries of international good-will. The generosity has been kept alive by the American people whose churches are now appealing for money and food to send to the relief of the famine victims. The Chinese are a grateful people, and no movement of such a humane kind will go unrewarded here and hereafter.

In St. Andrew's church on Sunday Rev. T. P. Drumm spoke on this subject and stated that the sum of \$15 would support one family for a whole year. Next Sunday special collections are to be taken at both services and the Sunday school on behalf of the famine stricken people.

Death of Thos. Dobson of New Carlisle

The death of Mr. Thomas Dobson of New Carlisle occurred on Wednesday morning the 14th of February at the age of seventy-seven years, after a long illness. The cause of death was due to heart trouble. He is survived by a wife and one sister Mrs. James Danforth of Pecos and three sons Archie and James of New Carlisle, John of British Columbia and six daughters, Mrs. Charles E. Langley of New Carlisle, Mrs. J. W. Thurston of Lynn Mass, Geo. R. Murray of Nova Scotia; Miss Louise Dobson of New Hampshire; Mrs. E. Greider, Deltona and Mrs. A. Butts of New Carlisle. The funeral which took place in St. Andrew's church at New Carlisle, Friday the 16th was largely attended. Services being conducted by Rev. E. A. Dunn. The pallbearers were Mr. Captain Garrett of New Carlisle; Mr. Richard Major, Shiga; Mr. Frank Flowers and Mr. Ira Flowers of New Carlisle. The heart felt sympathy of the people goes out to Mrs. Thomas Dobson and family in the time of their sad bereavement.

FROZEN TO DEATH

James Callaghan, a farmer of White Mountain, was found frozen to death on Tuesday afternoon near Newton. He had been in Sasser on Monday and is supposed to have been drinking. He was found in some bushes over an embankment, while his horse with the overturned sleigh was found near by.

CAUSE FOR ALARM

Loss of Appetite or Distress After Eating a Symptom That Should not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over eating is a habit very dangerous, to a person's good general health.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest, and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all in Campbellton who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

We urge you to try a 25c. box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 50c. and \$1.00. Remember you can obtain Rexall Remedies in this community only at our store—The Rexall Store.

MEETING OF TOWN COUNCIL

Ways and Means Discussed at Tuesday's Meeting.

The Town Council met on Tuesday evening, His Worship Mayor McDonald, presiding. Councillors present Messrs. Alexander, White, Mowat, Lunan, McKenzie, Miller, Pinault and Moores.

Minutes of previous meeting were read and confirmed.

Communication was read from Duncan McKinnon asking reduction of assessments for property on Cedar Street. Referred to assessment and appeals committee.

Communication read from Capt. W. H. Belyas B. Co. 73rd Regiment enclosing account of \$35.35 for equipment not returned to him after the fire. This was referred to Capt. McKenzie of the local company of the regiment.

Communication was read from the Council of the Board of Trade as follows:—

Submit plans of proposed wharf adjoining and east of the Town Electric Light wharf, and the estimated cost of the work and advise the use to which this wharf is to be put.

It is proposed to use this location as a dumping ground, and if so for how many years is it estimated the property can be used for this purpose.

If it is to be used as a dumping ground, will it be a general dumping ground, or if not, what disposal will be made of all offensive matter?

It is the intention of the Town Council to erect a concrete dam at Smiths Lake, if so what is the estimated cost of same.

What is the cost of operating the present Electric Light plant under day and night loads respectively?

This communication was laid on the table.

The following reports of standing committees were received and adopted. Council for Pinault from Public Property and streets accounts totalling \$188.49, Councillor Miller, Finance Committee, \$56.25, Councillor White, Fire Protection, \$44.40, Councillor Lunan, Police and License Committee, \$13.50, Councillor Moores, Public Charities Committee \$104.45, Councillor Alexander, Water and Sewerage Committee, \$124.29.

Councillor Lunan submitted report of Police and License Committee recommending that a license for a Tailoring and Clothes Pressing establishment be granted (George LeTourneau on payment of \$10).

The agreement between the Shivers Lumber Company and the town, respecting the wharf property was submitted and approved.

HOCKEY

The Victorias added another to their list of victories when they defeated the Fire Department in a good clean game of hockey. The game was well handled by referee Lavoie, his decisions meeting with universal approval. The final score was 4 to 0 in favor of the Vics.

The success of this team can only be attributed to their team play, not so much to their individual abilities. The other teams comprising the league will need to get more practice together, for most of their work is lost on the ice by each one striving to do too much on his own. Individual play looks fine on the ice but it does not get goals, and until the teams get down to good solid combination work, one can scarcely look for a great deal of improvement.

The line-up of the teams was as follows:

Team	Goal	Center	Left Wing	Right Wing	Defence	Goalie
Victorias	C. F. D.	Point R. Matthews	Rover J. Matthews	W. Ferguson	Cover H. Wallace	Sullivan
Fire Dept.	O. Mowat	Wing Schurman	L. Wing Schurman	Smith	Centre Delaney	S. McLean
		Goal	Kelly	Ryan	L. Wing	Keith

Referee, R. J. Lavoie.

Goal judges, Messrs. Gillis and McDonald.

Goal scorers, Keith 2, Delaney 2

STANDING OF TEAMS

Team	Played	Won	Lost	Drawn	Pts.
Vics	6	6	0	0	12
IRC	5	1	3	1	3
CFD	5	0	4	1	1

Two points for a win, one for a draw.

GOAL SCORES

Team	Goal	Scorer
H. Wallace	8	Schurman 3
Keith	8	Mersereau 2
Delaney	8	Lavoie 2
Dambrose	5	Boudreau 2
Ferguson	4	Shirley 2
O. Mowat, J. Matthews, Smith, G. Wallace and Martin	1	goal each.

We have now on hand the very latest leasehold mortgage forms which are sold at reasonable prices at the Graphic Office.

The deeds were ordered to be executed and forwarded for registration.

Councillor Pinault moved and Councillor White seconded that the committee proceed with the construction of the dumping ground crib wharf in accordance with the plans of the Town Engineer.

This motion raised general discussion, the main trend of opinion being that it would be unwise to go further into debt when there were other pressing problems before the Council, such as the Smith Lake dam, and the further requirements of the fire alarm system. The discussion was taken part in by all the Councillors, and in the end, an amendment that the matter be laid over till next meeting was carried. Council then adjourned.
