CHRISTMAS SHOPPING.
 During the last week we have had occasion to make at least one call at

nearly every store in town. During those visits we were careful to notice the daily arrival of new Christmas goods and upon asking a few questions were surprised to learn of the wide range of stock which these merchants have secured to meet the Christmas trade. To us prices also appear to be very reasonable. Obviously there is no need to send out of town for one's Xmas requirements. Campbellton is full of Christmas things.

We would also urge our readers both here and throughout the county to read the advertisements of these merchants in the Graphic. They will prove the solution of your Christmas shopping problems and are bound to help you to get all the things you want at an economical cost. We also take this opportunity to thank our many advertisers for their patronage as it has been a very appreciable contribution to the success of our Christmas Edition.

The late Mr. Love, who was in his eightieth year, was pre-deceased by his wife some thirteen months ago. He was born in Scotland having come to this country when nine years of age. The deceased gentleman leaves to mourn his loss three sons and two daughters. The sons are R. P. Love of Vancouver B. C., and John and Earl at home. The daughters are Mrs. L. A. Smallwood of Moncton, N. B. and Ethel of Campbellton.
 The funeral services, which were held Wednesday afternoon at 2:30 under the auspices of L. O. L. No. 64 Rev. B. C. Salter of Tide Head officiating. The floral tributes from a host of friends were many and beautiful.

Joliette, Que., Dec. 13—Engineer W. J. Martin, fireman, A. Flammont and brakeman M. Herard, all of Joliette, who were badly scalded when the locomotive of a freight train exploded about four miles from this town a few days ago, will, it is believed, recover.

 The accident was more serious than at first reported.

STOLE LIQUOR AT WOODSTOCK

Second Time in Few Weeks That Drug Stores Have Been Robbed.
 Woodstock, N. B., Dec. 13—At an early hour this morning the drug store of Stevens Bros. was broken into and liquor to the value of about \$600 was removed.
 They left behind them a three inch augur with which they bored holes in the back door and removed the iron bar with their hands. There is no clue to the thieves. A few weeks ago the drug store of Atherton & McAfee was also broken into and several hundred dollars worth of liquor removed. In that case the police were never able to get a clue to the thieves.

TOWN MANAGER HAS RESIGNED

R. Fraser Armstrong of Woodstock Goes to Big Job At Toronto, Ont.

Woodstock, N. B., Dec. 8—R. Fraser Armstrong, town manager at a council meeting tonight tendered his resignation to become effective March 1. While it was realized that the manager had been considering several propositions that meant advancement the resignation tonight came as a surprise. Mayor E. W. Mair and all the members of the board expressed their deep regret and said that the strong position of the town today was undoubtedly owing to the efficient work of Mr. Armstrong during the last three years. Perhaps no town in Canada was better governed and in a better financial position today than Woodstock.
 Mr. Armstrong has been engaged by the Citizens Research Institute of Canada, of Toronto, to carry on work along municipal lines. The position is an important one and the clever young engineer is being warmly congratulated by his friends on his attaining a place on a staff of national importance.
 It is not known who his successor will be but efforts will be made to obtain a competent man at once.

FUR AND HIDE BUSINESS QUIET

According to information received from different parties in touch with the fur and hide market there is little activity in that business hereabouts at the present time. The price offered for green hides by local buyers is hanging about 10 cts per pound which the market shows a tendency to drop even lower. The trade in raw furs seems equally dull with prices apparently on the decline. According to reports the catch in foxes and other indigenous fur bearing animals has been good throughout the county so far this season.

 "I asked Jim if he was going to contest his wife's suit for divorce and he said no."
 "What reason did he give?"
 "Said he didn't see any use; he never won an argument with that woman in his life."
