THE WEATHER BULLETIN Washington, Dec. 10, 1 a. m. — Lower lakes—Fair westerly winds, becoming variable, stationary or higher temperature, followed by falling barometer.

PERSONS AND THINGS.

Miss Braddon has written a story in French which is to appear in the Paris It is said that the lady who will do the honors for the president at the white house is Mrs. Jehn Davis, whose husband, it is understood, will be the president's private secretary.

employers to make themselves felt, not heard, by abating the nuisance.

The beauty of the American system of government by committees is pretty well and some maniform of the premier himself, who expressed disapproval of the project. The ex-empress Eugenle is making extensive additions to her new mansion at Farn-borough, near Aldershot. The least pas-sible cost of these will be \$500,000, which proves that something has been saved from the wreck of the empire.

> The New York Canals. ALBANY, Dec. 9.—The senate committee

ALBANY, Dec. 9.—The senate committee appointed to investigate matters relating to canals, met to-day. State Engineer Seymour gave a vast amount of information concerning the canals and their management, and favored making them free. He drew much of his statistical information from the annual reports to legislature. He showed the canals had already paid \$50,000,000 into the treasury of the state more than they cost. than they cost.

Mechanical Playthings. Among recent mechanical toys are rab

bits, jumping and green frogs hopping about, cats chasing rats, walking bears, more numerous examinations of late years appear to have neither lessened the number of candidates for certificates nor broadened the culture of the successful applicants. The ranks of the teachers are largely recruited from among farmers sons, for our remarks do not apply to women, for many of whom teaching is the best available resource; but the farmer who makes his son a teacher, while there are free farms to be had in the Northwest, does the boy an injury. When our people come to realize this, the undue competition among teachers will decline perceptibly.

The letter-carriers have been provided by the Dominion government with new coats, but by way, we suppose, of proving the applicants. The ranks of the teachers are largely recruited from among farmers sons, for our remarks do not apply to women, for many of whom teaching is the best available resource; but the farmer who makes his son a teacher, while there are free farms to be had in the Northwest, does the boy an injury. When our people come to realize this, the undue competition among teachers will decline perceptibly.

EPRAIM AND HIS IDOLS.

Ephraim of the Globe worships at the shrine of twin idols—British free trade and British connection. Its political paganism is at least more consistent than that of the Mail, which derides one fetish and offers

Mail, which derides one fetish and offers easy to comb and durable to wear. The smaller ones, with painted bisque costumes, smaller ones, with painted bisque covering, laughing, lying down, kneeling, playing, with legs crossed and hands over head. The larger sizes have bodies joined or flexible, of kid, wood and papier mache, and come undressed or attired in garments fit for princesses to wear

BIRTH.
