

# We Wish You The Compliments of the Season. A. BROWN.

## CHOP STUFF.

Courtright will have a Mechanic's Institute.  
Principal Davidson of the Wyoming school is quite ill.  
The Oil Springs Chronicle blushed a rosy pink last week.  
Forest returned Mayor Karr and Reeve Hill by acclamation.  
Glencoe's financial statement shows a deficit of \$43.13.  
The Strathroy papers take their annual vacation Xmas week.  
Enniskillen council is short of funds to pay school liabilities.  
Rev. W. G. Jordan, Presbyterian minister, Strathroy, is ill.  
J. F. Lister, Q. C., held Division Court at Strathroy last week.  
J. S. Fraser has been elected Reeve of Wallaceburg by acclamation.  
Woodstock's new \$25,000 opera house was burnt down last week.  
The Port Huron city opera house was destroyed by fire Friday night.  
Adelaide taxpayers have all squared themselves with the collector.  
Wm. Dawson has been elected Chief of the Strathroy Sons of Strathroy.  
The Glencoe H. S. cleared \$50 at their annual entertainment last week.  
Christie Armstrong, a 16 year old Strathroy boy, died from la grippe last week.  
The pupils of the Parkhill H. S. presented Headmaster Bigg with a gold headed cane last week.  
It is estimated that the Plebiscite will be carried by about 5000 majority in Lambton county.  
Sarnia had a Hallelujah wedding last week. Captains Stubbs and Sandick were the contracting parties.  
A Pt. Huron man bit off Captain Iver's ear in a fight the other day. The cannibals do not all reside in Fiji.  
125 persons have so far expressed a desire to lead a different life at the Crossley and Hunter services in Strathroy.  
London council has the reputation of holding more meetings and doing less business than any council in Ontario.  
G. E. Newman, Mathematical Master in the Dutton H. S., has declined the position offered by the London Collegiate.  
A Plympton man has a hound which can run a mile in 2 1/2. We have terriers up this way that can beat that record.  
London and Petrolia play a Hockey match on Jan. 10th. They used to call this game "Shinny" when we went to school.  
Sheppard's World's Fair exhibited to an \$8 audience in Petrolia. We trust they made enough to pay their printing bill.  
Sarnia's swell club has proved too expensive for the boys these hard times, and it will be wound up as tight as an alarm clock.  
Miss Sarah Armstrong has been re-engaged as teacher in the upper Anghrim school for 1894 and Mr. McIntyre in the lower Anghrim school.  
A Leamington man claims to have seen a robin in his garden last week. He was just coming home from a caucus meeting when he noticed the bird.

Suit has been entered for \$15,000 damages against the township of South Dorchester, for injuries sustained by one Alexander Douglas by reason of a defective roadway.

That popular and tear stirring drama, "Ten Nights in a Bar Room," has just struck Petrolia. Seven nights in the week is quite enough for the average Petrolia man.  
Thos. Toss will be a candidate for councillor in Ward No. 4, Bosauquet, to succeed David Brand, who will not be a candidate for 1894. It will be a Toss up to see who gets it.  
C. W. Pray has been nominated for the Reeveship in Alvinston. Wes is a hustler, and will give "Honest John" Morwood a race for his life. An infusion of young blood has a good effect occasionally.  
A farmer's sleigh ran over a Sarnia boy's pug dog the other day amputating the canine's tail. The owner made the farmer put up \$1.50 for disfiguring the pup. What was the whole dog worth?  
A joint stock company is putting up a cheese factory on the Dawn and Euphemia town line, near Gavin Roberts' saw mill. The company expects to commence the manufacture of cheese early in the spring.  
Highwaymen held up John H. Vahner, a traveling salesman for H. J. Milburn & Co., of Detroit, as he was driving from Algonac to St. Clair after his day's work Friday last and robbed him of \$17.30. The robbers escaped.
