MEDICAL AND STATISTICAL REPORT OF COUNTY HOSPITAL AND COUNTY HOME FOR 1921.

To the Municipal Council Municipality of Annapolis County:
Gentlemen:—I beg to submit the following brief medical report of the County Hospital and County Home at Bridgetown:

During the past year the staff of caretakers at both institutions has continued the same and the general care of patients and inmates has been entirely satisfactory. Both Mr. and Mrs. Hiltz at the County Hospital for Insane and Mr. and Mrs. Myers at the County Home and Farm have had long experience in this work and all

seem well fitted for their work and leave little to be desired in the way of superintendence and general supervision and internal care of those committed to their care.

The following are the statistics County Hospital:—
COUNTY HOSPITAL
Patients at beginning of year .. 46
Admitted during the year .. 6
First total 52
Died during the year 4
Discharged 4
Present number 44

COUNTY HOME
Inmates beginning of year 59
Admitted during the year 25
Born at Home 2
First total 87
Died during the year 19
Discharged during year 11
Present number 54
Number of Men 29
Number of Women 23
Number of Boys 5
Number of Girls 7

During the year at the County Home there has been more than the average number of deaths but they have been largely in the very old, two having reached the age of 95 and seven had passed the 80th birthday. There was only one death among the young, this was an invalid child sent from the Victoria G. Hospital suffering from a chronic tubercular disease, aged seven years.

During the past years some further improvements have been added in the way of plumbing and additional toilet facilities. On the whole the institutions continue to be well cared for and stand equal to any throughout the province in excellence of care and arrangement and reputation.

The usual Christmas concert and Christmas tree festivities were again carried out and both institutions continue to receive much attention from the various churches of Bridgetown and other philanthropic organizations and citizens.

Faithfully submitted,
M. E. ARMSTRONG,
Medical Attendant.

PAINS IN BACK AND SIDES

Relieved by Lydia E. Pinkham's Vegetable Compound

Lindsay, Ontario.—"I used to have very bad pains in my back and sides and often was not able to do my work. I tried many medicines before I began to take yours. I saw Lydia E. Pinkham's Vegetable Compound advertised in the 'Toronto Globe' and now that it has helped me I recommend it to all of my neighbors. I keep it in the house all the time and take it once in a while no matter how well I feel, for one ounce of prevention is worth a pound of cure."

—ELIZABETH CAMPBELL, 13 St. Paul St., Lindsay, Ontario.

To do any kind of work—and you know there is much to be done—is next to impossible if you are suffering from some form of female trouble. It may cause your back to ache or a pain in your side; it may make you nervous and irritable. You may be able to keep up and around, but you do not feel good.

Lydia E. Pinkham's Vegetable Compound is a medicine for women. It is especially adapted to relieve the cause of these troubles, and restores them to normal health.

TREASURER'S REPORT, 1921.
To the Warden and Councilors of the Municipality of Annapolis County:
Gentlemen:—The following is the Financial Statement for the Municipality as found on December 31st, 1921:

Cash to credit in Bank \$ 2,053.33
Due from Collectors, 1921 .. 2,710.82
Total Available for 1922
Account \$ 5,764.15
There are no balances due from Collectors previous to 1921.

Owing to the small balance of cash on hand at the beginning of the year we were obliged to make larger borrowings than for the previous years, in order to carry on business until taxes were collected.

A majority of the Collectors made good payments, and closed their accounts in good time, but some others are behind as usual which you will note by the balance due.

By referring to the Statutes for 1920 and 1921, you will note that the Government has made an increase in the grant to schools, raised the rates at the Nova Scotia and V. G. Hospitals, as well as the rate for registering births and deaths, so that it will be necessary to increase the appropriation for those items for the current year.

I have the honor to be, Gentlemen, Your obedient servant,
D. M. OUTHIT,
Treasurer.

AESOP'S ADVERTISING FABLE

Once upon a Time there lived a Merchant Prince who inserted a small ADVERTISING Card in his local paper. The World and His Wives rushed to the Store and the Great Battle of Push and Take occurred. The Merchant Prince did such a Tremendous Business as a Result of this one Small Advertisement that He was able to Retire and Spend the rest of his Life playing at Golf.

That is a Fable!
But it still represents some folk's ideas of advertising.

ADVERTISING won't make any man or firm rich over night, but, if intelligently used with persistency, it will multiply customers, increase turnover, swell profits and build such goodwill for the advertiser as nothing else will.

Get the facts from "The Bridgetown Weekly MONITOR."

TO THE BUYING PUBLIC
A man's advertisement is your invitation and your guide. It means that he wants and appreciates your business and is proud enough of his store or service to ADVERTISE it.
