Though greatly enlarged in both the vegetable and flower seed departments, we send our catalogue **FREE** to all. LARGE DIVIDENDS.

A successful business man once said regarding fire insurance: "I get the worth of my money every time I hear the alarm." Just so with the users of our fence. It "Holds Thee Safe" against unruly stock, against accidents, and damage suits. The feeling of security cannot be measured in dollars and cents.

BEEES FOR SALE.

I am instructed to sell 35 stocks of bees, now in first class condition. They are in hanging frame hives, in which, for several successive winters, the bees have wintered outside, practically without loss, attributable, it is believed, to the way the hive is ventilated. On account of their present prosperous state, these bees will be profitable the coming season, if there is honey to be gathered. Supers for both comb and extracted honey. Bees delivered f.o.b. here any time up to 25th May next. Correspondence solicited.
