

World Wide

A Weekly Reprint of Articles from Leading Journals and Reviews
Reflecting the Current Thought of Both Hemispheres.

This remarkable and most readable journal has pushed its way, in a few months, beyond our expectation — chiefly owing to the goodwill of its rapidly-growing constituency. Without wisdom of its own, 'World Wide' reflects the wisdom of the age—the day—the hour—the moment. Without opinions of its own 'World Wide' beats to the tick of modern British and American thought. 'World Wide' has found its place on the study table. Preachers, teachers, writers and thinkers generally have hailed it as a new and most welcome companion. As a pleasant tonic—a stimulant to the mind, 'World Wide' has no peer—at the price, no equal among the journals of the day.

Regular readers of 'World Wide' are kept in touch with the world's thinking.

THE WITNESS is pre-eminently the family newspaper of Canada. It publishes all the news that is worthy the attention of the general reader. It maintains an independent advocacy of the right side of every public question. It is free from bondage to any partisan or selfish interest. The reliability of its news, and the general tone of the paper gives it a most enviable place among its contemporaries.

Besides the latest cable, telegraphic and local news and comment thereon there are special departments of interest to every one, such as medical, agricultural, poultry, veterinary, bee culture, gardening, legal, queries, Home and Boys' and Young People's pages. DAILY averages 14 pages, WEEKLY averages 22 pages per issue.

WORLD WIDE. A weekly reprint of articles from leading journals and reviews reflecting the current thought of both Hemispheres. These articles have hitherto been lost to Canada except as now and again they have been squeezed into the daily or weekly newspapers. 'World Wide' is young in years but remarkably wise. Thinking men and women have hailed it with delight. (Sixteen pages.)

THE NORTHERN MESSENGER, (Twelve pages), published weekly, is a most interesting and remarkable paper for the money. No home should be without it. Besides the family reading there is the Department for Boys and Girls, and two pages devoted to the Little Folks in extra large type. Each issue contains illustrations, International S. S. Lesson, C. E. Topic, Temperance Catechism and Household Departments.
