

THE ORDER IN GREAT BRITAIN.

You will no doubt be pleased to learn that our Order is prospering in Great Britain, a large number of Subordinate, and two Grand Divisions having been organized, and 1000 added to its membership during the past year, with a total of about 4,000 paying members.

DECEASED MEMBER.

I have to announce the death of a member of this body, Bro. Charles McLean, P. W. P. Micmac Division, who died in Halifax on 7th inst.

Trusting that this Session will be a profitable one to the Order and the cause of Temperance, this report is respectfully submitted

In L. P. and P.,

PATRICK MONAGHAN,

Grand Scribe.

HALIFAX, July 18, 1865.

Referred to Committee on state of the Order.

The Grand Scribe read the following Report:

TO THE GRAND DIVISION S. OF T. OF NOVA SCOTIA ASSEMBLED IN QUARTERLY SESSION IN ANTIGONISHIE, N. S.

Your Representatives to the National Division held in the City of New Haven, Conn., on the 14th June, beg to report, as follows:

We left Windsor on Wednesday the 7th, intending to be present at the Temperance celebration in New York on the evening previous to the meeting of the National Division. But unfortunately for us, the wind off Cape Split and the consequent rough waters of the Bay of Fundy, together with the feebleness of the boat running between Windsor and St. John, all combined to effect our disappointment. Failing to connect with the boat for Portland on Thursday, we were obliged to remain in St. John until the following Monday. We arrived, however, at New Haven in good time for the meeting, and found accommodations at the Tremont House, where we remained during our stay.
