Gillette BULLDOG Safety Razor—

THE stocky "Bulldog" handle gives a good, firm grip that most men like. Its extra weight seems to "carry through" the keen-edged blade in a stroke that's particularly smooth and easy.

Shaving with the Gillette is so quick and comfortable that there is no temptation to neglect it, it sends a man to his day's work clean, refreshed, looking and feeling his best. If you haven't already done so, get a Gillette—you'll enjoy it!

"Bulldog" Set, \$5—"Aristocrat," \$5—Standard Sets, \$5—Pocket Editions, \$5 to \$6—Combination Sets, \$6.50 up. All "Made in Canada."
