Scientific and Useful.

FRIED CRACKERS.—Soak square soda crackers well in milk, and fry them quickly a nice brown in a little butter.

To take ordinary ink out of linen dip the ink spot into melted tallow, wash out tallow and the ink will come out with it. This seldom fails.

We find Campbell's Cathartic Compound the best article we have ever used for Costiveness or Billousness, and easy to take.

GINGER SNAPS.—Two cups of butter, two cups of molasses, two teaspoonfuls of ginger, two teaspoonfuls of saleratus dissolved in one cup of boiling water; knead soft, roll thin, and bake in a quick oven.

PINEAPPLE JELLY.—A delicious dessert is made by taking any rule for lemon jelly and substituting grated or finely-cut pineapple for the lemon. A little remnant of canned pineapple is well used in this way.

MULTUM IN PARVO.—There is much in a little, as regards Burdock Blood Bitters. You do not have to take quarts and gallons to get at the medicine it contains. Every drop in every dose has medical virtue as a blood purifying, system regulating tonic.

TO REMOVE FRUIT STAINS.—Spirits of camphor will remove fruit stains of all kinds from white goods, if applied before the goods have been wet. Wash and boil in the usual manner, and you need not look for the stain, for it will not be there.

HINDU RELISH.—Boil eggs very hard, cut lengthwise, then take the yolks, without breaking the whites, and pass through a sieve with as much butter and grated ham; mix well together, and refill the eggs; then put them in the oven till browned. Serve hot on dry toast.

A LIBERAL OFFER.
 We call the attention of our readers to advertisement of **German Electric Agency of "Electric Belt Free."** To all likely to make good agents they will for the next sixty days give away free of charge one of their German Electric Belts.

CHAMOIS SKIN, free of thin spots, and rinsed in cold water after washing in a solution of sal-soda, makes a quick filter, it is stated in the *Druggist's Circular*. Tinctures, elixirs, syrups, and even mucilages are filtered rapidly. A pint of the thickest syrup will run through in four or five minutes. By washing thoroughly after each time of using it will last a long time.

CANNED FRUIT.—The fruit put in tin cans should be taken out when the can is opened for use. If allowed to remain after the can is opened, the action of the acid juices upon the tin when exposed to the air may form acetate of tin, which is poisonous. Pour the fruit out into glass or earthen dishes, and the danger of poisoning is avoided. This acetate does not form while the air is excluded.

INVALUABLE INDICATIONS.—If you have Sour Stomach, Heartburn, Sick Headache, rising and souring of food, wind in the stomach, a choking or gnawing sensation at the pit of the stomach, then you have sure indications of Dyspepsia, which Burdock Blood Bitters will surely cure. It has cured the worst cases on record.

CUTLET OF LOBSTER.—Mince the meat of a one pound can of lobster, add the yolks of two eggs, half a teaspoonful of salt, a salt-spoonful of white pepper, two ounces of butter and a tablespoonful of grated bread crumbs. Mix and shape the mixture in the shape of cutlets; dip them in the beaten egg, roll them in crumbs and fry in very hot fat. Stick a two-inch piece of macaroni in the small end put a fancy paper on it, and send to table with tomato sauce.

PAIN-KILLER has cured cases of Rheumatism and Neuralgia after years' standing.

GOLDEN PIPPINS.—Boil a quarter of a pound of ginger root, tied in a muslin bag, in a pint of water until the water is strongly flavoured; add four and a half pounds of white sugar, and boil and skim until clear. Now add three sliced lemons that have been peeled, and from which the seeds have been carefully extracted. Add also the thin yellow rind, first parboiled in water. Have ready six pounds of apples pared and quartered, and cook until tender in this syrup, putting in as many at a time as you can tend easily, and lifting them out with a long fork as soon as soft enough to handle. Drop at once in cans, boil the syrup until thick, fill up, and seal.

COUGHS, COLDS, Croup and Consumption CURED BY ALLEN'S LUNG BALSAM
 25c. 50c. and \$1.00 per bottle.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the **Invalida Hotel and Surgical Institute, Buffalo, N. Y.**, has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a **powerful, invigorating tonic,** it imparts strength to the whole system, and to the womb and its appendages in particular. For overwork of the "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing-mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic. As a **soothing and strengthening** nerve, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a **positive cure** for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a **regulator and promoter of functional action,** at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrophulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturer, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) \$1.00, or six bottles for \$5.00.
