THE SLEET.

BY ST. LESER LONDON CARTER.

AWAKE, awake, the sun is up awake and rally forth. We've had a rain of jewelry from out the frozen north!

Each bush and every humble shrub with precious stones is strung.

The emerald and the amethyst! the topazes! behold!

The chrysolite and jasper see, and that bright carnelian stone.

The holy in its darkest green, with crimson fruit looks gay.

The cedar! O, thou favored tree! in Scripture it is told they laid thee in the house of God.

The beech tree stands in rich array of long and shining threads.

The lofty oak, the hundred limb'd Briareus of the trees!

But time would fall to tell of all that bright and starry host.

The meannest thing—the most deformed—the dry and sapless bough.

Ye counsellors of earth! come forth, ye princes who have gold.

This grass that's under foot, this weed with branching vines.

Yet this fair pageant soon must fade before the breath of noon.

And by the fiat from on high, your wealth shall fade as soon.

What, though the sun so soon must melt this frost work and its forms.

The sun goes up his destined way—how few do heed my calls!

In tears the vision melts away, the baseless fabric falls!

For scenes as sweet, it brings to mind, which fled away as fast.

THE INFALLIBLE REMEDY!

HOLLOWAY'S OINTMENT.

EMPIREAS OF EIGHT YEARS DURATION CURED. Copy of a Letter from Geo. Sinclair, Esq of Paris, Canada, dated Oct 18th July, 1851.

To PROFESSOR HOLLOWAY. Sir,—I feel a pleasure and a pride in bearing witness to the wonderful benefit I have derived by the use of your invaluable Ointment and Pills. For eight years I suffered occasionally from attacks of erysipelas; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which attended me both night and day, rendering life a misery to me, as well as to all around—no cure was the result. I used several reputed remedies without deriving the least relief to my misery. At last, I determined to try your Ointment and Pills: after taking them for a few weeks, a visible improvement took place, and I feel considerably better—in three months, by continuing with your medicine, I was completely cured, and now enjoy the best of health. The truth of this statement is well known here, hence there is no necessity for me to request attestation. I am, Sir, yours respectfully, (Signed) GEO. SINCLAIR.

ULCERS IN THE LEG.—REMARKABLE CURE! Copy of a Letter from Mr. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 4th May, 1854.

To PROFESSOR HOLLOWAY. Sir.—My sister, Miss Jane Tomkinson, suffered for a great number of years from a bad leg in which there were several deeply seated and old wounds, defying the skill of some of the most eminent of the medical faculty, a variety of remedies were also used unsuccessfully; and it seemed to me that there was not any thing capable of mitigating the agonies she endured. At length, she had recourse to your Ointment and Pills, and after using them for about five weeks, she was completely cured after all other means had failed to afford her the slightest relief. I have no objection to these facts being published, if you feel disposed to make them known. I remain, Sir, your most obedient servant, (Signed) EDWARD TOMKINSON.

A BAD BREAST CURED WHEN AT DEATH'S DOOR. Copy of a Letter from Mr. Henry Malden, of The Rivers, Canada West, dated July 21st, 1854.

To PROFESSOR HOLLOWAY. Sir.—My wife suffered most severely after the birth of our last child with a bad breast. There was several tumours in it, one as large as a hand; all the devices and emulgens I tried would not heal them, but assumed an aspect more frightful than before, and horrible to behold. As a last resource I tried your Ointment and Pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well; by continuing with your remedies for two more weeks, she was entirely cured, and we offer you our united thanks for the cure effected. I am, Sir, yours truly, (Signed) HENRY MALDEN.
