Obituary.

DR. JOHN PARTINGTON RUSSELL.—Dr. J. P. Russell was one of Toronto's best known physicians. He graduated in the University of Edinburgh in 1846. A few years after this he came to Canada, and after practicing in Quebec for a time, removed to Toronto, where he was engaged in a large practice up to the day before his death. He had been in poor health for some weeks, but, with his characteristic, indomitable energy, he stuck faithfully to his work. On the morning of May 14th he was found dead in his bed, from apoplexy. He was 69 years of age.
