

**THE SASKATCHEWAN
Buffalo Robes and Coats.**

These goods were exhibited at the World's Fair, where they received a Medal and Diploma of honorable mention. Patented in Canada and the United States, where manufactories have been erected in Galt and Buffalo. The Robes are as strong as any leather; handsome, soft and pliable; impervious to wind, water and moths; easily dried after being wet, and are without the effluvia arising from the old Buffalo Robes. Our Overcoats are the same, and are made either in regular Buffalo or Black Astrachan.
