

STEEL HIGHWAY BRIDGE AND STONE MASONRY

Sealed Tenders will be received by me up to, MONDAY NOON, JUNE 3rd, 1901, for erection of a bridge over the Moira river at Cannifton, three miles north of Belleville, Ontario.

Tender to be for steel bridge in two spans of 91½ feet each, with roadway 16 feet wide in clear, and to carry a moving load of 100 pounds to square foot of floor area.

Tenders for this part must furnish complete plans, strain sheets, specifications, etc., for the superstructure ready for travel; and

The tender for one stone pier and two abutments to be separate and for work and material according to specifications to be seen at my office.

The pier and abutments to be finished ready for superstructure not later than the first day of August next and the superstructure complete ready for travel two weeks thereafter.

The lowest or any tender not necessarily accepted.

WM. R. AYLSWORTH,
County Clerk,
Box 7, Belleville, Ont.

Shire Hall, Belleville,
May 6th, 1901.

PROVINCIAL DEBENTURES

Sealed Tenders, marked "Tender for Debentures," and addressed to the Receiver General of New Brunswick, at Fredericton, will be received at this office until TUESDAY THE FOURTEENTH DAY OF MAY next, at 5 o'clock p. m., for the purchase of the whole or part of the following Provincial Debentures:

\$200,000.00 in four per cent Debentures, five years to run, in denominations of \$500.00 each, or in such other amount as the purchaser may request, dated 1st January, 1901, with half-yearly coupons attached issued under authority of Act of Assembly 59 Vic., Cap. 3, "An Act further to provide for the erection of permanent bridges," and amending Acts 63 Vic., Cap. 15, and 1 Edward VII, Cap. 19.

The above Debentures will be delivered and the funds therefor payable at the Receiver General's office at Fredericton, within three weeks after acceptance of tender.

The highest or any tender not necessarily accepted. The sum of ½ per cent, on the amount of the accepted tender must be deposited with the Receiver General within three days after receipt of acceptance. All Tenders and Communications to be strictly confidential.

Further information relating to these debentures, if required, will be furnished on application to the Receiver General.

L. J. TWEEDIE.

Provincial Secretary and Receiver General's Office,
Fredericton, 16th April, 1901.

ARNPRIOR SEWERAGE

Sealed Tenders, marked "Tender for Sewers," addressed to the undersigned, will be received by registered letter only up to 8 p. m. on TUESDAY, MAY 14TH, 1901, for each or the whole of the several works required for the proposed main sewers in the Town of Arnprior.

Contract No. 9.—For the earth and rock excavation, refilling, bricks, cement and pipe laying, etc., required for 500 lineal feet of brick sewer, and 4,355 lineal feet of 30, 24 and 18 inch pipe sewers, and 3,000 lineal feet of 6 inch service sewers.

Contract No. 10.—For the earth and rock excavation, refilling and pipe laying, etc., required for 5,485 lineal feet of 24, 18 and 12 inch pipe sewers, and 3,000 lineal feet of 6 inch service sewers.
