Special Notice.

Orif, excessive anxiety, or prolonged study, will produce infirmity in the nervous system, in proportion to the strength of that system is expended upon the mind in trouble through some of the organs of digestion, assimilation and nutrition, rendered inactive and sluggish in proportion as the system becomes infirm. Every individual has some one organ weaker than the rest, and this is always the first to suffer during nervous prostration. For example, indigestion, nervousness, causes total suspension of the muscular action of the heart, when the patient is debilitated, producing sudden hemorrhage and death. No doubt any longer remains of the practicability of restoring the nervous system, and through the nerves the muscles of the injured organs. Fellow's Compound Syrup of Hypophosphites has been proved to possess such power in numerous instances. It will impart strength to overcome trouble and affliction. Persons who are accustomed to look upon the dark side, and who see no pleasure in living, on using this Syrup soon learn to value and enjoy life, and those who study deeply or during long hours, will find in the Syrup a promoter of the power of endurance in the brain.

THE ALDINE: AN ILLUSTRATED MONTHLY JOURNAL claimed to be the HANDSOMEST PAPER IN THE WORLD.

"Give my love to the artist workmen of THE ALDINE who are striving to make their profession worthy of admiration for beauty, as it has always been for usefulness."—Henry Ward Beecher. THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light, and graceful literature and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound up at the close of the year. While other publications may claim superior cheapness as compared with a similar class, THE ALDINE is a unique and original conception—alone and unapproached—absolutely without competition or in any character. The possessor of the volume just completed cannot duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost.

The labor of getting THE ALDINE ready on the press is so great that reprinting is out of the question. With the exception of a small number specially reserved for binding, the edition of 1871 is already exhausted and it is now a scarce as well as valuable book. The enthusiastic support so readily accorded to their enterprise, wherever it has been introduced, has convinced the publishers of THE ALDINE of the soundness of their theory that the American public would recognize and heartily support any sincere effort to elevate the tone and standing of illustrated publications. That so many weekly wicked sheets exist and thrive is no evidence that there is no market for anything better—indeed the success of THE ALDINE from the start is direct proof of the contrary. With a population so vast, and of such varied tastes, a publisher can choose his patrons, and his paper is rather indicative of his own than of the taste of the country. As a guarantee of the excellence of this department, the publishers would beg to announce during the coming year, specimens from the following eminent American Artists.

W. T. RICHARDS, WM. HART, WM. HART, GEORGE SMILEY, A. G. WILL, JAMES SMILEY, FRANK BRADY, J. HOWE, GRANT PERKINS, F. C. BARLEY, VICTOR KELLY, WM. H. WILCOX, JAMES H. BRARD, R. E. PIQUET, PAUL DIXON, J. HOWE.

LITERARY DEPARTMENT.

Where so much attention is paid to illustration and the work, to much dependence on appearances may very naturally be feared. To anticipate such misgivings, is only necessary to state that the editorial management of THE ALDINE has been entrusted to Mr. Richard Henry Stoddard, who has received assurances of assistance from a host of the most popular writers and poets of the country. THE VOLUME FOR 1872, will contain nearly 300 pages, and about 250 fine engravings. Commencing with the number for January, every third number will contain a beautiful tinted picture on plate paper, inserted as a frontispiece. The Christmas number for 1872, will be a splendid volume in itself, containing fifty engravings, four in tint and, although retailed at \$1 will be sent without extra charge to all yearly subscribers.

A Chromo to every Subscriber

was a very popular feature last year, and will be repeated with the present volume. The publishers have purchased and reproduced, at great expense, the beautiful oil painting by Seis, entitled "Dame Nature's School." The chromo is 11 x 15 inches, and is an exact fac-simile, in size and appearance, of the original picture. No American chromo, which will at all compare with it, has yet been offered at retail for less than the price asked for THE ALDINE and it together. It will be delivered free, with the January number, to every subscriber who pays for one year in advance.

TERMS FOR 1872 One Copy, one year, with Oil Chromo, \$5. Five Copies, \$20. Any person sending 10 names and \$40 will receive an extra copy gratis, making 11 copies for the money. Any person wishing to work for a premium can give our premium circular as application. We give many beautiful and desirable articles offered by no other paper. Any person wishing to see, personally, as our agent, will apply, with reference, collecting \$1 for each.

NEW NATIONAL MAGAZINE FOR CANADA. Prospectus of the CANADIAN MONTHLY AND NATIONAL REVIEW.

A feeling has long prevailed that the intellectual life of the Canadian nation ought to have some origin and center of its own. Attempts have been made to give it such an origin, but hitherto they have not been successful. In some measures they may have been premature; but it is believed that their failure has been mainly due to the want of a sufficiently strong and well-organized staff of writers, and of a fund sufficient to guarantee to contributors the fair remuneration, without which, as multiplied experience proves, a periodical cannot be successfully carried on. These requisites have now been effectually secured.

The literary aid and materials requisite for the support of a first-class magazine will be sought, without restriction, from all quarters—Canadian, British, and Foreign. But it is intended that the Magazine shall have a specially Canadian character, such as, it is hoped, will enlist Canadian patriotism in its support. Politics will be treated with the aim of infusing as much as possible of the historical and philosophical spirit into the popular discussion of political questions. Religious questions, if they form the subject of any papers, will be treated with a similar aim. Mr. GOLDWIN SMITH has consented both to contribute regularly, and to assist in conducting the magazine. Intending subscribers will please send us their names. ADAM, STEVENSON & CO., Publishers, Toronto.

CLUB RATES! To parties wishing to secure a really excellent Monthly Periodical, of national value and interest the Publishers offer the following advantageous terms for Clubs—Cash in advance. The postage two cents per month, is included in the following rates, each magazine being sent pre-paid from office of publication. One copy for one year..... \$ 3 00 Two copies..... 5 00 Three..... 8 00 Five..... 13 00 Ten, and one to persons sending club 25 00 Letters containing remittances should be registered, and addressed ADAM, STEVENSON & Co., Publishers, Toronto. TO ADVERTISERS. The Publishers would direct the attention of advertisers to the importance of THE CANADIAN MONTHLY as a medium of advantageous advertising, being distributed to the foremost and best circles of the reading population of the Dominion. All advertisements should reach the Publishers by the 15th of each month. A schedule of rates for advertisements is prepared, and may be had of the Publishers.
